

What Goes Where?

FOOD SCRAPS

Collect materials in your food scraps pail and empty into the cart.

Only paper or BPI/BNQ certified compostable bags are allowed. Regular kitchen bags not accepted.

Scrape your plate here

Put your unwanted table scraps into the pail or cart.

Top up your cart with yard waste

Have extra room in your food scraps cart?

RECYCLING

Clean and dry items. Remove caps, lids and straws and place in garbage.

Flatten boxes and place loosely into a blue recycling bag.

Bundle large pieces of cardboard and set out underneath the bag.

GARBAGE

Put in the garbage cart.

Garbage can go directly in cart without bag.

Cart lid must close.

Download the **WasteWise app** and search items not listed here

Edmonton

YARD WASTE

Set out for seasonal collection, put in a paper or clear plastic bag.
 or
 Top up your food scraps cart.
 or
 Drop off at an Eco Station.

Leaves and grass (or go bagless)

Fallen tree fruit Garden trimmings, dead plants and cones

Bark, branches and twigs

Bundle them up!

Bundle (tie) twigs and branches with string made from natural fibres.

Compost at home

Home composting is still the best thing to do with food scraps and yard waste. Feed your soil. It's fun and easy.

edmonton.ca/compost

HAZARDOUS WASTE

Drop it off at an Eco Station

Fees may apply for some items. No non-residential hazardous waste.
