

# MOOSE HIDE CAMPAIGN DAY

Please join the Indigenous Sport Council of Alberta (ISCA), Canadian Native Friendship Centre (CNFC), Elders and Knowledge Keepers, Community members, and the City of Edmonton to support ending violence against all women and children.

On Moose Hide Campaign Day, join us in taking the pledge, participating in ceremony, listening to speakers, and walking in unison to help end violence. On this day, #fasttoendviolence, wear a moose hide pin and come together as a community to share stories and a vision to end violence. To learn more about the Edmonton Campaign
