

# Ada Boulevard Community Conversation Feedback Sheet

Edmonton

1. How do you want to enjoy and use Ada Boulevard?

2. Thinking about the different ways that you want to enjoy and use Ada Boulevard, what should be the design features to ensure it is safe and accessible, and keeps its unique charm?

3. Of the design features that you mentioned in response to question two, please list the three that are the most important to you.

1)

2)

3)

*Thank you for taking the time to complete this questionnaire.*
