

Building Great Neighbourhoods in Highlands

SHARE YOUR VOICE
SHAPE OUR CITY

Edmonton

April 2018

In 2019, Highlands will see the replacement of its aging collector and local roadway surfaces, streetlights, and sidewalks as part of the City of Edmonton's Neighbourhood Renewal program for mature neighbourhoods. Planning for this renewal has just begun. A new dedicated City branch, Building Great Neighbourhoods, will also explore the redevelopment of other City-owned areas within the community, including green spaces and parks, and look for opportunities and funding to make desired upgrades and enhancements in coordination with the Neighbourhood Renewal program.

Building Great Neighbourhoods: Working together to make the most out of your neighbourhood

This is your city and your neighbourhood. We want to understand how you experience your neighbourhood and ask for your input on what we might do to make it better. We will engage and work with you on the renewal of roads, sidewalks, streetlights, and park spaces, and promote other community opportunities to enhance how people live and interact in your neighbourhood. We commit to being open and transparent about how your input is used. Let's make the most out of your neighbourhood. For more information, please visit edmonton.ca/BuildingGreatNeighbourhoods.

Get Involved!

With construction scheduled to begin in 2019, now is the time to get involved in the planning. Share your voice to help shape a safe, walkable, bikeable, driveable and livable community for now and the future. You, along with your neighbours, area business owners, and stakeholders, are invited to get involved. Working together, we can achieve outcomes that meet your expectations.

The City recognizes each Edmonton neighbourhood is unique. To ensure a solid understanding of what is important to those who live and work in Highlands, we will engage in broad, inclusive engagement to understand visions and views for the future of the neighbourhood. There will be many opportunities during the coming year for you to get involved.
