Queen Alexandra Neighbourhood Renewal

Construction Update

As part of the 2016 construction program, the City of Edmonton: Integrated Infrastructure Services is involved in the renewal of the Queen Alexandra Neighbourhood:

Due to current weather conditions, we offer the following updates:

Concrete and Road work - All concrete and road work has been completed as per schedule.

Landscaping – Please note that sod will not be placed at this time of year in accordance with City of Edmonton Construction Specifications. Top soil has been placed in all excavated areas. Please be advised that top soiled areas will be maintained by the contractor to a safe condition until sod is installed in approximately June of next year.

Please retain this bulletin for contact information.
