

# Saskatchewan Drive and Shared Use Path

**Project:** Restoration of the road and improvement of the shared use path along Saskatchewan Drive from 99 Street to 109 Street. The design for a restored Saskatchewan Drive will enhance safety for pedestrians, cyclists and drivers.

**Construction:** Coordinated with the Strathcona Neighbourhood Renewal, depending upon approved funding.

# Saskatchewan Drive and Shared Use Path

Restoration of the road and improvement of the shared use path along Saskatchewan Drive from 99 Street to 109 Street.

This project will enhance usability and safety for:

- Pedestrians
- Cyclists
- Motorists

Dependent on funding approval, construction may be coordinated with Strathcona Neighbourhood Renewal.

The project team is seeking your input on:

- Shared use path
- Pedestrian crossings
- On-street parking
