

115 Avenue Reclamation to Parkland

The City has been working with stakeholders in the area to mitigate impacts as a result of the reclamation to parkland.

Changes that will be included with the project are:

- . Increased sidewalk width to 3.5 meters in front of St. Basil School
- . Removal of streetlights and installation of decorative pedestrian lights in front of St. Basil School
- . Relocation of garbage bins for both Spruce Avenue School and St. Basil School
- . Concrete bus pads installed in the boulevard
- . New access for Spruce Avenue School parking lot
- . Intersection improvements and loading areas along 102 Street (see next page)

115 Avenue Reclamation to Parkland

. New loading areas during school drop off and pick up times along:

- A) 102 Street from 115 Avenue to 116 Avenue on the east side of the road
- B) 115 Avenue, east of 102 Avenue

. Intersection of 116 Avenue & 102 Street will be marked with rapid flashers with a zebra crossing

. Intersection of 115 Avenue & 102 Street will be marked with a new 3-way stop with reflective tubing and zebra crossings

. The intersection of 114 Avenue & 102 Street will be marked with north and south stop signs with reflective tubing and zebra crossings
