This sheet is to be used for general reference only. Colour codes will vary according to each computer's individual colour settings. Conversions from Pantone® to CMYK were done using U.S. Sheetfed Coated v2. To purchase software, go to: pantone.com/pantone-color-manager-software. Designers should always import ase colour files into Adobe CS/CC project files. CMYK and RGB ase files can be downloaded from: edmonton.ca/visualidentity. Pantone® colours for specific complement colours are available on request. Identify colour by CMYK mix, then email: brandteam@edmonton.ca.
