Construction Notice: Valley Line West LRT
Overnight Probe Hole Drilling on 87 Avenue at 165 Street

On or around August 3, 2021, Marigold Infrastructure crews will be drilling probe holes to verify local ground conditions on 87 Avenue at 165 Street.

To accommodate this work, there will be alternating closures to the westbound curb and median lanes at this intersection. The lanes to be closed are the westbound curb lane west of 165 Street, the westbound median lane east and west of 165 Street. These lanes will not be closed simultaneously.

This work will occur during overnight hours (9 p.m. – 6 a.m.) and is expected to last three weeks.

87 Avenue at 165 Street

- The westbound curb lane west of 165 Street and the westbound median lane east and west of 165 Street will be closed. These lanes will not be closed at the same time.
- This work will occur during overnight hours (9 p.m. – 6 a.m.)
This work will require the use of a hydrovac truck, therefore there will be noise associated with this work. Crews will make every effort to complete the more disruptive works earlier in the shift, where possible.

- Pedestrian access will be maintained.
- Access to ETS Bus Stops will be maintained.
- Every effort will be made to reduce the impact to the public.
- This work is expected to last three weeks.

Marigold Infrastructure Partners is committed to following all City of Edmonton bylaws and regulations and has obtained an overnight roadwork permit so that work can take place during nighttime hours in order to minimize major daytime traffic disruptions.

*City of Edmonton Bylaw C14600.

The information in this bulletin is current to July 26, 2021. Please note that all dates are approximate and weather dependent. We thank you for your patience and understanding during the construction of the Valley Line West LRT project. Marigold Infrastructure Partners is excited to be a part of Edmonton’s economic recovery.
