RE: REVISION of conditionally approved tentative plan of subdivision to create two (2) Municipal Reserve lots from the SE 13-51-25-W4M located north of 41 Avenue SW and west of James Mowatt Trail SW; **HERITAGE VALLEY TOWN CENTRE**

This is the third revision to this application. The application proposes to separate the 6.44 ha Municipal Reserve (MR) lot and the 0.35 ha MR lot into two (2) phases. The application was first conditionally approved on March 17, 2016. Subsequent rephrasing applications were conditionally approved on October 6, 2016 and June 15, 2017. Change request LDA17-0049 was approved on March 23, 2017 and added two (2) additional row housing lots to the original approval. The 6.44 ha and 0.35 ha MR lots are the only remaining portions of the initial application that have not been registered.

I The Subdivision by Plan is APPROVED on July 19, 2018, subject to the following conditions:

1. that the owner dedicate MR as 6.44 ha and 0.35 ha lots pursuant to Section 666 of the Municipal Government Act as shown on the "Conditions of Approval" map, Enclosure I;
2. that the owner provide MR in the amount of 0.317 ha by a Deferred Reserve Caveat (DRC) registered against Lot 1, Block 1, Plan 092 6061 pursuant to Section 669 of the Municipal Government Act;
3. that the owner enter into a Servicing Agreement with the City of Edmonton pursuant to Section 655 of the Municipal Government Act;
4. that the owner prepare the necessary plans and documentation to grant new or carry forward existing easements and restrictive covenants in favour of the City of Edmonton, EPCOR Distribution & Transmission Inc., EPCOR Water Services Inc., and EPCOR Drainage Services, as required by the aforementioned agencies or shown on the engineering drawings that are deemed to be part of the Servicing Agreement;
5. that the owner be permitted to register this plan of subdivision in phases in sequential order, as shown on the "Conditions of Approval" map, Enclosure I;
6. that phases 1, 2, and 3 of the approved subdivision LDA14-0468 be registered prior to or concurrent with phase 1 of this application for the logical extension of roadway connections and underground utilities; and

7. that the owner pay all outstanding property taxes prior to the endorsement of the plan of survey.

II That the Servicing Agreement required in Clause I (3) contain, among other things, the following:

1. that the owner pay all servicing costs, assessments, roadway modification costs (including but not limited to sidewalk, shared use path and/or transit infrastructure), construction costs and inspection costs required by this subdivision;
2. that the owner pay all costs specified in the Servicing Agreement prior to endorsement of the plan of survey;
3. that the owner pay the Drainage Assessments applicable to this subdivision;
4. that the owner pay the Arterial Roadway Assessments applicable to this subdivision;
5. that the owner submits an Erosion and Sediment Control (ESC) Plan specific for this development and for implementation during and after construction in accordance with the City of Edmonton ESC Guidelines and Field Manual;
6. that the owner submits detailed engineering drawings and technical studies in accordance with the City of Edmonton Design and Construction Standards and to the satisfaction of the City Departments and affected utility agencies;
7. that the owner provides full site servicing for the 6.44 ha MR lot including, 3-phase power, water, sanitary and storm services, to the satisfaction of all affected Departments and agencies;
8. that the owner constructs a 3 m hard surface shared use path with "Shared Use" signage, lighting, and bollards, within the 6.44 ha MR lot, to the satisfaction of Subdivision and Development Coordination, as shown on the "Conditions of Approval" map, Enclosure I. The alignment of the 3 m shared use path may be revised with the design of the school site;
9. that the owner constructs a 3 m mono-walk with straight faced curb and gutter to the satisfaction of Subdivision and Development Coordination, as shown on the "Conditions of Approval" map, Enclosure I;
10. that the engineering drawings for Phase 1 include the temporary storm water storage facility. Construction Completion Certificate (CCC) for storm infrastructure constructed under Phase 1 will not be issued until such time as the storm water management facility (SWMF) 9A and other downstream permanent storm sewer systems are completed and operational to the satisfaction of Subdivision and Development Coordination;
11. that, once SWMF 9A is constructed, the owner abandons the temporary storm water storage facility including all inlets, outlets and other associated storm infrastructure installed under the temporary storm servicing system and restore the site to a condition suitable for its future intended use to the satisfaction of Subdivision and Development Coordination. The restoration process must follow geotechnical investigation and recommendations;

12. that the owner construct all fences wholly on privately-owned land and/or MR lots, to the satisfaction of Subdivision and Development Coordination, as shown on the "Conditions of Approval" map, Enclosure I; and
13. that the owner is responsible for the landscape design and construction within the MR lots and road rights of way, to the satisfaction of City Departments and affected utility agencies.

Enclosure I is a map of the subdivision identifying major conditions of this approval.

MR for the SE 13-51-25-W4M in the amount of 6.79 ha is being provided by dedication with this subdivision. The existing DRC (#152 094 665) for the SE 13-51-25-W4M is for 5.89 ha. To account for the shortfall, the DRC (#142 245 620) on the SW 18-51-24-W4M will be transferred to the SE 13-51-25-W4M to assemble the 6.44 ha MR lot. Subsequent to DRC transfer and dedication of the 6.44 ha MR lot, the DRC on the SE 13-51-25-W4M will be adjusted accordingly with the remainder to carry forward on title.

A 0.317 ha DRC will be registered on Lot 1, Block 1, Plan 092 6061 with this subdivision. A portion of this DRC will be transferred to the SE 13-51-25-W4M for assembly of the 0.35 ha MR lot and to account for pipeline right-of-way credit in the northwest corner of the SE 13-51-25-W4M. Subsequent to dedication of the 0.35 ha MR lot, a small amount of DRC shall remain on title to account for pipeline right-of-way credit in the northwest corner of the SE 13-51-25-W4M. Subsequent to DRC transfer, the remainder of the DRC registered on Lot 1, Block 1, Plan 092 6061 will carry forward on the title.

Please be advised that the approval is valid for one (1) year from the date on which the subdivision approval is given to the application. An extension beyond that time may be granted by the City of Edmonton.

Please be advised that an appeal may be lodged in accordance to Section 678 of the Municipal Government Act with the Subdivision and Development Appeal Board, 10019 – 103 Avenue NW, Edmonton Alberta, T5J 0G9, within 14 days from the date of the receipt of this decision. The date of receipt of the decision is deemed to be seven (7) days from the date the decision is mailed.

If you have further questions, please contact Kyle Witiw at kyle.witiw@edmonton.ca or 780-442-4308.

Enclosures

Please be advised of the following:

Next Steps for Subdivision Approval

- The next step in the subdivision process is to have a legal instrument prepared (ie. Plan of Survey) in order to register the approved subdivision. The legal instrument is then forwarded to the City for endorsement along with the endorsement fee (\$662.00 - 2018 Fees Schedule) and subsequently released to the applicant for registration at the Land Titles Office.

Transportation

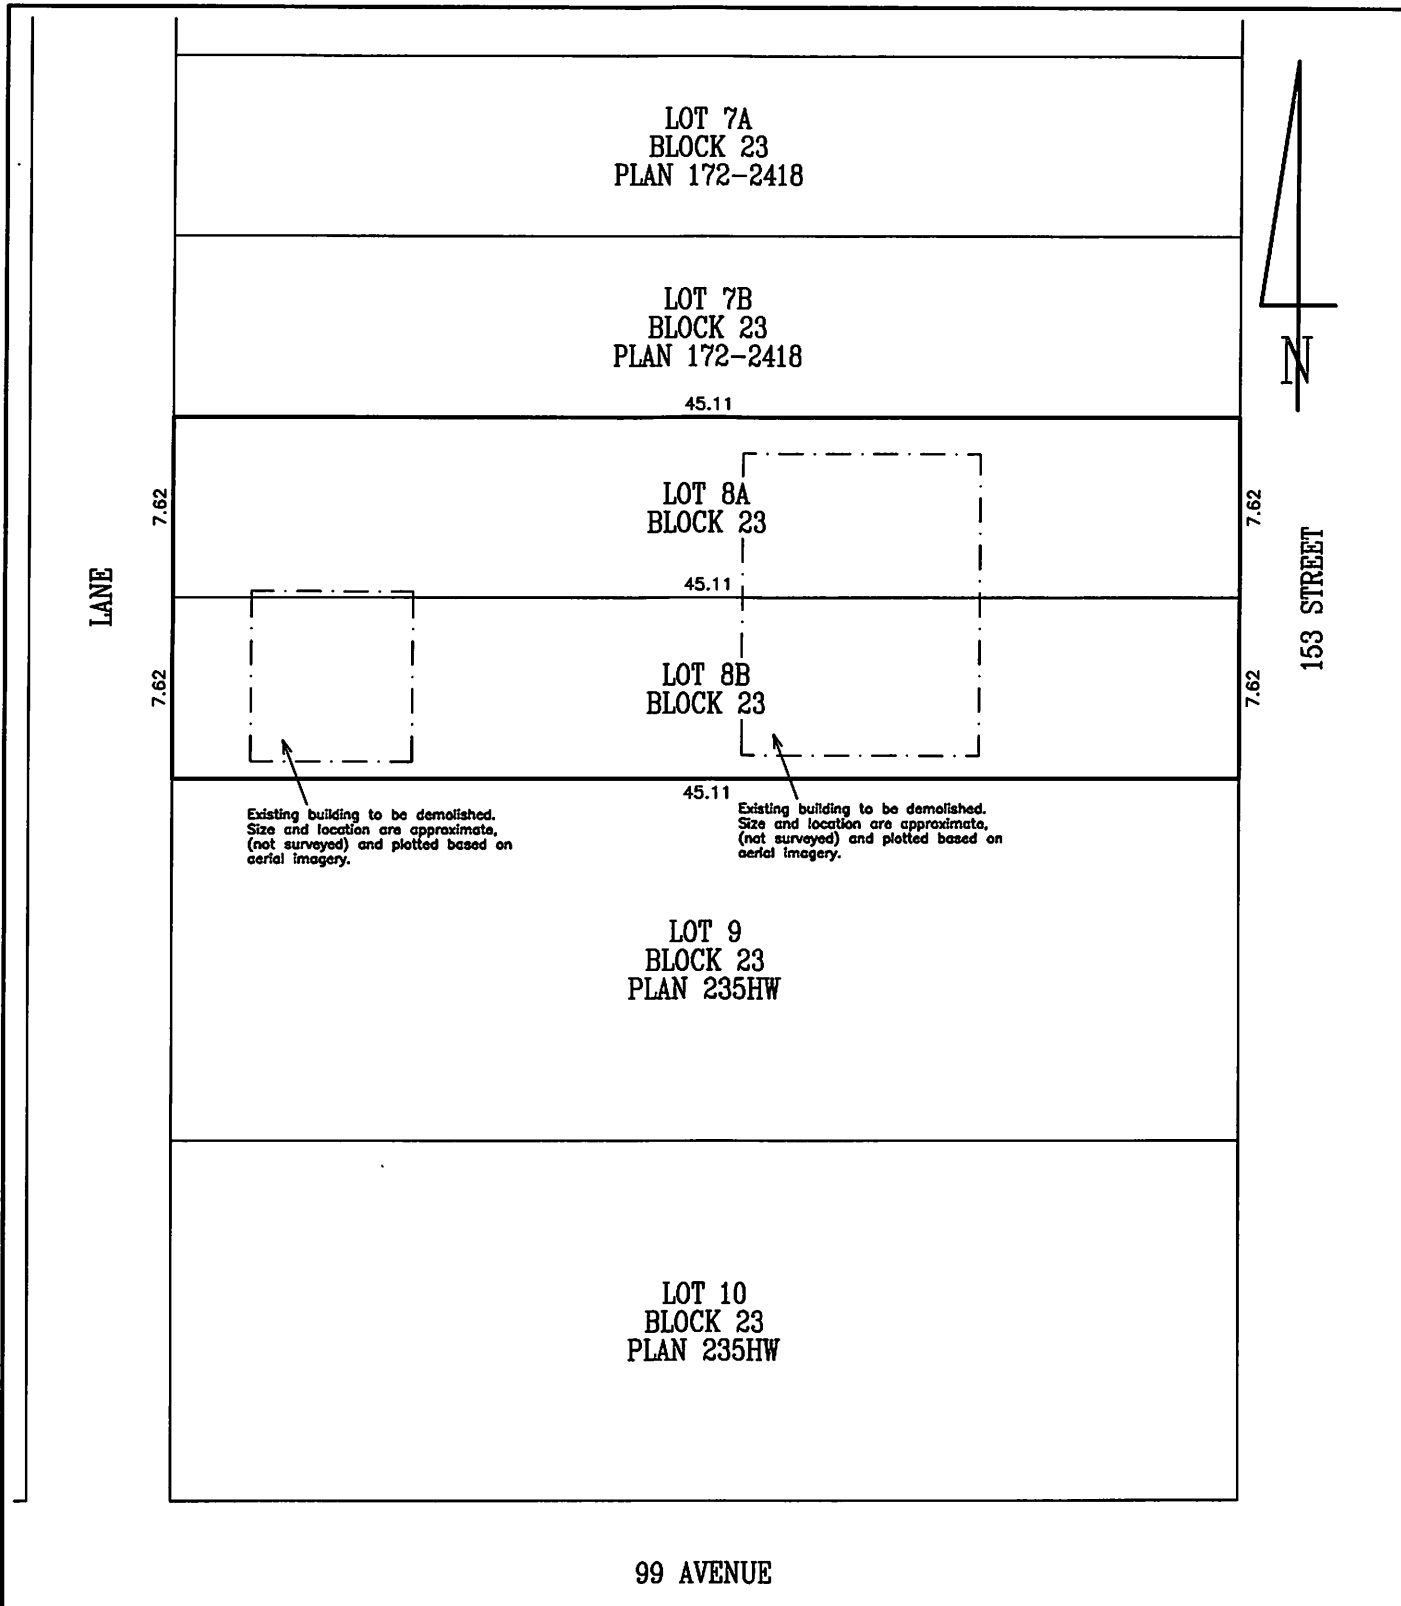

- Access for future development must be to the adjacent alley in conformance with the Mature Neighbourhood Overlay Sec. 814.3(17) of the Zoning Bylaw #12800.
- There is an existing access to 153 Street NW. Upon redevelopment of proposed Lot 8A, the existing residential access to 153 Street NW must be removed. The owner/applicant will be required to obtain a Permit to remove the access, available from Development and Zoning Services, 2nd Floor, 10111 - 104 Avenue NW.

Building / Site

- The owner shall ensure that any change in property boundaries does not cause any structures on site to become non-compliant with the Safety Codes Act and Alberta Building Code. Permits may be required for such changes. Please contact 311 for more information.

Servicing

- The owner is required to make satisfactory arrangements for, and pay all costs associated with separate servicing to each lot, as well as the modification, relocation and/or removal of existing services. For further information, please contact: EPCOR Distribution & Transmission Inc. (780-412-4000), TELUS Communications (Edmonton) Inc. (Real Estate Division [Rights of Way] 780-508-2456), ATCO Gas (780-424-5222) and EPCOR Drainage Services (water and sewer servicing 780-496-5444).
- The existing services (water and sanitary) enter the proposed subdivision approximately 10.9 m north of the south property line of Lot 8 off 153 Street NW. As per the EPCOR Drainage Services Bylaw and the EPCOR Water Services and Wastewater Treatment Bylaw, these services cannot cross the proposed property line.
- There is a deficiency in on-street hydrant spacing adjacent to the property. The applicant/owner is advised to review on-site fire protection requirements to ensure adequate coverage (contact EPCOR Water at 780-412-3955).
- If power service crosses the proposed property line the owner may be required to provide a blanket easement in favour of EPCOR Distribution & Transmission Inc. If required, said easement shall be registered prior to or concurrent with the final plan of survey (contact EPCOR Land Administration Group at 780-412-3252).
- there is an existing power pole that will interfere with access to the proposed Lot 8A, as shown on the Enclosure. Subdivision Planning **highly recommends** that the applicant/landowner initiate the relocation of the power pole with EPCOR Distribution & Transmission as soon as possible as this pole will inhibit alley access to the site and will result in a delay with the issuance of the Development Permit. Contact Andy Balding (780-412-3520) of EPCOR Distribution & Transmission for more information.

RE: Tentative plan of subdivision to create separate titles for a semi-detached dwelling from Lot 51, Block 1, Plan RN63, located north of 122 Avenue NW and west of 81 Street NW; **ELMWOOD PARK**

The Subdivision by Plan is APPROVED on July 19, 2018, subject to the following conditions:

1. that the owner make satisfactory arrangements with EPCOR Water Services Inc. and EPCOR Drainage Services for the provision of separate services (water and sanitary) to each half of the semi-detached dwelling. However, for buildings constructed prior to 1992 there is an option to retain the existing services (please refer to Enclosure II);
2. that the owner obtain a permit to demolish the existing garage prior to endorsement of the final plan. Demolition permits can be obtained from Development Services located on the 2nd floor of Edmonton Tower at 10111 - 104 Avenue NW; and
3. that the owner pay all outstanding property taxes prior to the endorsement of the plan of survey.

Enclosure I is an attachment of the major advisements throughout the subdivision process. Enclosure II is Optional Servicing Conditions for Sewer and Water Services. Enclosure III is a map of the subdivision and identifies major conditions and advisements of this approval.

Please be advised that the approval is valid for one (1) year from the date on which the subdivision approval is given to the application. An extension beyond that time may be granted by the City of Edmonton.

Please be advised that an appeal may be lodged in accordance to Section 678 of the Municipal Government Act with the Subdivision and Development Appeal Board, 10019 – 103 Avenue NW, Edmonton Alberta, T5J 0G9, within 14 days from the date of the receipt of this decision. The date of receipt of the decision is deemed to be seven (7) days from the date the decision is mailed.

If you have further questions, please contact Kristen Rutherford at kristen.rutherford@edmonton.ca or 780-442-5047.

Please be advised of the following:

Next Steps for Subdivision Approval

- The next step in the subdivision process is to have a legal instrument prepared (ie. Plan of Survey) in order to register the approved subdivision. The legal instrument is then forwarded to the City for endorsement along with the endorsement fee (\$662.00 - 2018 Fees Schedule) and subsequently released to the applicant for registration at the Land Titles Office.

Transportation

- There are existing boulevard trees adjacent to the site on 81 Street NW that must be protected during construction. For information about tree protection please refer to the City of Edmonton's web site (Trees and Construction).
- Access for future development must be to the adjacent alley in conformance with the Mature Neighbourhood Overlay Sec. 814.3(17) of the Zoning Bylaw #12800.

Building / Site

- The owner shall ensure that any change in property boundaries does not cause any structures on site to become non-compliant with the Safety Codes Act and Alberta Building Code. Permits may be required for such changes. Please contact 311 for more information.

Servicing

- The owner is required to make satisfactory arrangements for, and pay all costs associated with separate servicing to each lot, as well as the modification, relocation and/or removal of existing services. For further information, please contact: EPCOR Distribution & Transmission Inc. (780-412-4000), TELUS Communications (Edmonton) Inc. (Real Estate Division [Rights of Way] 780-508-2456), ATCO Gas (780-424-5222) and EPCOR Drainage Services (water and sewer servicing 780-496-5444).
- There is a deficiency in on-street hydrant spacing adjacent to the property. The applicant/owner is advised to review on-site fire protection requirements to ensure adequate coverage (contact EPCOR Water at 780-412-3955).
- If power service crosses the proposed property line the owner may be required to provide a blanket easement in favour of EPCOR Distribution & Transmission Inc. If required, said easement shall be registered prior to or concurrent with the final plan of survey (contact EPCOR Land Administration Group at 780-412-3252).

Optional Servicing Conditions for Sewer and Water Services

The following conditions must be met for the City to consider, as an option, not to enforce Schedule 2, Section 4.9 (a) of the Drainage Bylaw 18100.

- a. The building must have been constructed prior to 1992.
- b. The applicants for subdivision must verify that the private sanitary and/or storm drainage systems for each unit are connected separately outside of the building. If the storm or sanitary drainage systems are interconnected within or under the building structure, the subdivision application will not be supported.
- c. The private building sewers on the property must be inspected with a camera by Drainage Operations (phone 780-442-5311). The condition of the sanitary and/or storm building sewers must be verified as being functional and free of defects and able to provide effective sewer servicing.
- d. The applicants/owners must register on the titles of each separate lot an irrevocable caveat and easement allowing for the excavation, repair or replacement of the sanitary and/or storm building sewers within each separate lot by both owners. The caveat must save harmless EPCOR Drainage Services from liability due to failure or repair of the private building sewers foundation drainage systems and roof drainage systems resulting from allowing the cross lot servicing due to subdivision to separate titled lots.
- e. Surface drainage and discharge of roof leaders and/or sump pump discharge must be corrected so as not to cause a nuisance, hazard or damage to either the subdivided lots or neighboring properties.
- f. If a new development permit is taken out on either of the subdivided properties to construct a new building (dwelling unit), then each of the lots must be serviced with sanitary and/or storm directly from EPCOR sewer mains, and must separate, redirect and not interconnect any private building sewers within each of the lots to the city services.
- g. The Chief Plumbing Inspector must also support the subdivision application as a variance to the National Plumbing Code.

The following conditions must be met for EPCOR Water Services Inc. to consider as an option, not to enforce Article 12 (c) of Schedule 2 (Terms and Conditions of Service) of the Water Services and Wastewater Treatment Bylaw 17698, where there is an application to subdivide a single semi-detached residential lot into two separately titled properties.

- a. The subdivision application must be supported by EPCOR Drainage Services.
- b. The applicants for subdivision must verify that the private water systems for each unit are connected separately outside of the building. If the water systems are interconnected within or under the building structure, the subdivision application will not be supported.

- c. The condition of the private water systems must be verified as being functional and free of defects and the private systems must be able to provide effective water servicing to both dwelling units. The applicants / owners are accepting the existing water system(s) "as-is". The cost of any relocation, modification or upgrading required by the owners at any time, will be entirely the responsibility of the owners.
- d. The applicants / owners must register on the titles of each separate lot an irrevocable caveat and easement allowing for the operation, maintenance, excavation, repair or replacement of the water systems within each separate lot by both owners. The caveat must save harmless EPCOR Drainage Services and EPCOR Water Services Inc. from liability for any cost, loss or damage due to failure or repair of the private water systems resulting from allowing the cross lot servicing due to subdivision to separate titled lots.
- e. If a new development permit is taken out on either of the subdivided properties to construct a new building (dwelling unit), then each of the lots must be separately serviced with water directly from city water mains, and must not interconnect any private water system to any other private water system.
- f. The Chief Plumbing Inspector must also support the subdivision.

Should the applicant/owner fail to satisfy EPCOR Drainage Services and EPCOR Water Services Inc. regarding the above conditions, the final plan of survey will not be signed until the conditions of the Drainage Services Bylaw and Wastewater Treatment Bylaw are satisfied.

RE: Tentative plan of subdivision to create one (1) additional single detached residential lot from Lot 4, Block 22, Plan 3875 P, located south of 109 Avenue NW and west of 129 Street NW;
WESTMOUNT

The Subdivision by Plan is APPROVED on July 19, 2018, subject to the following conditions:

1. that the owner pay all outstanding property taxes prior to the endorsement of the plan of survey.

Enclosure I is an attachment of the major advisements throughout the subdivision process. Enclosure II is a map of the subdivision and identifies major conditions and advisements of this approval.

Please be advised that the approval is valid for one (1) year from the date on which the subdivision approval is given to the application. An extension beyond that time may be granted by the City of Edmonton.

Please be advised that an appeal may be lodged in accordance to Section 678 of the Municipal Government Act with the Subdivision and Development Appeal Board, 10019 - 103 Avenue NW, Edmonton Alberta, T5J 0G9, within 14 days from the date of the receipt of this decision. The date of receipt of the decision is deemed to be seven (7) days from the date the decision is mailed.

If you have further questions, please contact Kristen Rutherford at kristen.rutherford@edmonton.ca or 780-442-5047.

Regards,

Blair McDowell

RE: Tentative plan of subdivision to create one (1) additional single detached residential lot from Lot 20, Block 60, Plan RN 39B located north of 109 Avenue NW and east of 127 Street NW;
WESTMOUNT

The Subdivision by Plan is APPROVED on July 19, 2018, subject to the following conditions:

1. that the owner obtain a permit to demolish the existing dwelling and garage prior to endorsement of the final plan. Demolition permits can be obtained from Development Services located on the 2nd floor of Edmonton Tower at 10111 - 104 Avenue NW; and
2. that the owner pay all outstanding property taxes prior to the endorsement of the plan of survey.

Enclosure I is an attachment of the major advisements throughout the subdivision process. Enclosure II is a map of the subdivision and identifies major conditions and advisements of this approval.

Please be advised that the approval is valid for one (1) year from the date on which the subdivision approval is given to the application. An extension beyond that time may be granted by the City of Edmonton.

Please be advised that an appeal may be lodged in accordance to Section 678 of the Municipal Government Act with the Subdivision and Development Appeal Board, 10019 – 103 Avenue NW, Edmonton Alberta, T5J 0G9, within 14 days from the date of the receipt of this decision. The date of receipt of the decision is deemed to be seven (7) days from the date the decision is mailed.

If you have further questions, please contact Kristen Rutherford at kristen.rutherford@edmonton.ca or 780-442-5047.

Regards,

Blair McDowell
Subdivision Authority

BM/kr/Posse #282065591-001

Enclosure(s)

Please be advised of the following:

Next Steps for Subdivision Approval

- The next step in the subdivision process is to have a legal instrument prepared (ie. Plan of Survey) in order to register the approved subdivision. The legal instrument is then forwarded to the City for endorsement along with the endorsement fee (\$662.00 - 2018 Fees Schedule) and subsequently released to the applicant for registration at the Land Titles Office.

Transportation

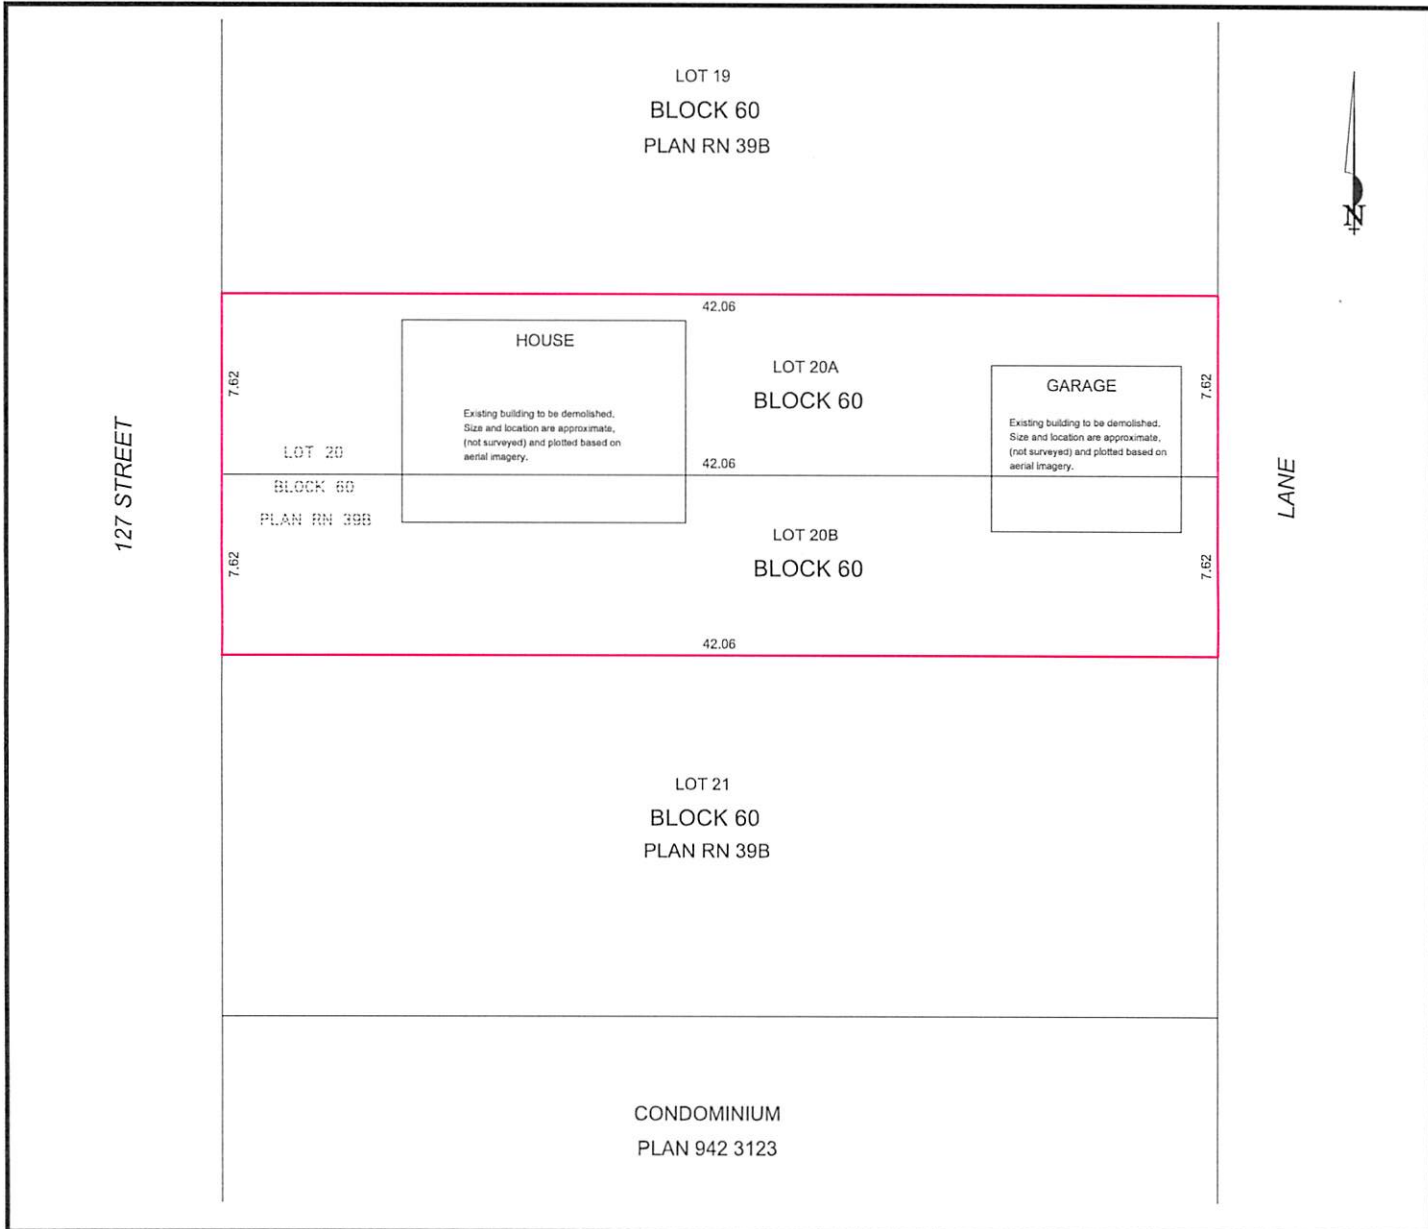

- There are existing boulevard trees adjacent to the site on 127 Street NW that must be protected during construction. For information about tree protection please refer to the City of Edmonton's web site (Trees and Construction).
- Access for future development must be to the adjacent alley in conformance with the Mature Neighbourhood Overlay Sec. 814.3(17) of the Zoning Bylaw #12800.

Building / Site

- The owner shall ensure that any change in property boundaries does not cause any structures on site to become non-compliant with the Safety Codes Act and Alberta Building Code. Permits may be required for such changes. Please contact 311 for more information.

Servicing

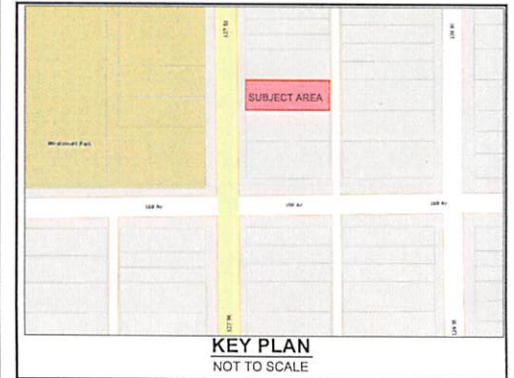

- The owner is required to make satisfactory arrangements for, and pay all costs associated with separate servicing to each lot, as well as the modification, relocation and/or removal of existing services. For further information, please contact: EPCOR Distribution & Transmission Inc. (780-412-4000), TELUS Communications (Edmonton) Inc. (Real Estate Division [Rights of Way] 780-508-2456), ATCO Gas (780-424-5222) and EPCOR Drainage Services (water and sewer servicing 780-496-5444).
- The existing services (water and sanitary) enter the proposed subdivision approximately 5.7 m north of the south property line of Lot 20 off of the lane. As per the EPCOR Drainage Services Bylaw and the EPCOR Water Services and Wastewater Treatment Bylaw, these services cannot cross the proposed property line.
- There is a deficiency in on-street hydrant spacing adjacent to the property. The applicant/owner is advised to review on-site fire protection requirements to ensure adequate coverage (contact EPCOR Water at 780-412-3955).
- If power service crosses the proposed property line the owner may be required to provide a blanket easement in favour of EPCOR Distribution & Transmission Inc. If required, said easement shall be registered prior to or concurrent with the final plan of survey (contact EPCOR Land Administration Group at 780-412-3252).

RE: Tentative plan of subdivision to create separate titles for a semi-detached dwelling from Lot 16, Block 5, Plan 1884 KS, located north of 84 Avenue NW and east of 149 Street NW; **LAURIER HEIGHTS**

The Subdivision by Plan is **APPROVED** on July 19, 2018, subject to the following conditions:

1. that the owner make satisfactory arrangements with EPCOR Water Services Inc. and EPCOR Drainage Services for the provision of separate services (water, sanitary and storm) to the proposed northern lot; and
2. that the owner pay all outstanding property taxes prior to the endorsement of the plan of survey.

Enclosure I is an attachment of the major advisements throughout the subdivision process. Enclosure II is a map of the subdivision and identifies major conditions and advisements of this approval.

Please be advised that the approval is valid for one (1) year from the date on which the subdivision approval is given to the application. An extension beyond that time may be granted by the City of Edmonton.

Please be advised that an appeal may be lodged in accordance to Section 678 of the Municipal Government Act with the Subdivision and Development Appeal Board, 10019 – 103 Avenue NW, Edmonton Alberta, T5J 0G9, within 14 days from the date of the receipt of this decision. The date of receipt of the decision is deemed to be seven (7) days from the date the decision is mailed.

(Real Estate Division [Rights of Way] 780-508-2456), ATCO Gas (780-424-5222) and EPCOR Drainage Services (water and sewer servicing 780-496-5444).
- The existing services (water and sanitary) enter the proposed subdivision approximately 6.5 m north of the south property line of Lot 12 off 154 Street NW. Water and sanitary services may exist approximately 6.5 m south of the north property line of 107 Avenue NW off 154 Street NW. The status of the water and sanitary services is unknown and must be confirmed by the owner/developer. As per the EPCOR Drainage Services Bylaw and the EPCOR Water Services and Wastewater Treatment Bylaw, these services cannot cross the proposed property line.
- There is an existing power pole and guy wire that will interfere with access to the proposed Lot 12A. Subdivision Planning highly recommends that the applicant/owner initiate the relocation of the power pole/guy wire with EPCOR Distribution & Transmission as soon as possible as this pole will inhibit alley access to the site and will result in a delay with the issuance of the Development Permit. Contact Andy Balding (780-412-3520) of EPCOR Distribution & Transmission for more information.
- If power service crosses the proposed property line the owner may be required to provide a blanket easement in favour of EPCOR Distribution & Transmission Inc. If required, said easement shall be registered prior to or concurrent with the final plan of survey (contact EPCOR Land Administration Group at 780-412-3252).

- Access for future development must be to the adjacent alley in conformance with the Mature Neighbourhood Overlay Sec. 814.3(17) of the Zoning Bylaw #12800.
- There is an existing access to 143 Street NW. Upon redevelopment of proposed Lot 11A, the existing residential access to 143 Street NW must be removed. The owner/applicant will be required to obtain a Permit to remove the access, available from Development and Zoning Services, 2nd Floor, 10111 - 104 Avenue NW.

Building / Site

- The owner shall ensure that any change in property boundaries does not cause any structures on site to become non-compliant with the Safety Codes Act and Alberta Building Code. Permits may be required for such changes. Please contact 311 for more information.

Servicing

- The owner is required to make satisfactory arrangements for, and pay all costs associated with separate servicing to each lot, as well as the modification, relocation and/or removal of existing services. For further information, please contact: EPCOR Distribution & Transmission Inc. (780-412-4000), TELUS Communications (Edmonton) Inc. (Real Estate Division [Rights of Way] 780-508-2456), ATCO Gas (780-424-5222) and EPCOR Drainage Services (water and sewer servicing 780-496-5444).
- The existing services (water and sanitary) enter the proposed subdivision approximately 13.7 m west of the east property line of Lot 11 off of the lane. The existing storm service enters the proposed subdivision approximately 8.34 m east of the west property line of Lot 11 off 88 Avenue NW. As per the EPCOR Drainage Services Bylaw and the EPCOR Water Services and Wastewater Treatment Bylaw, these services cannot cross the proposed property line.
- There is an existing power pole that will interfere with access to the proposed Lot 11A. Subdivision Planning highly recommends that the applicant/owner initiate the relocation of the power pole/guy wire with EPCOR Distribution & Transmission as soon as possible as this pole will inhibit alley access to the site and will result in a delay with the issuance of the Development Permit. Contact Andy Balding (780-412-3520) of EPCOR Distribution & Transmission for more information.
- If power service crosses the proposed property line the owner may be required to provide a blanket easement in favour of EPCOR Distribution & Transmission Inc. If required, said easement shall be registered prior to or concurrent with the final plan of survey (contact EPCOR Land Administration Group at 780-412-3252).

RE: Tentative plan of subdivision to create one (1) additional single detached residential lot from Lot 21 and the east half of Lot 20, Block 128, Plan I 21 located south of 92 Avenue NW and west of 98 Street NW; **STRATHCONA**

The Subdivision by Plan is APPROVED on July 19, 2018, subject to the following conditions:

1. that the owner remove and replace the existing lead water service to proposed Lot 21A (contact EPCOR Water Services at 780-412-3955); and
2. that the owner pay all outstanding property taxes prior to the endorsement of the plan of survey.

Enclosure I is an attachment of the major advisements throughout the subdivision process. Enclosure II is a map of the subdivision and identifies major conditions and advisements of this approval.

Please be advised that the approval is valid for one (1) year from the date on which the subdivision approval is given to the application. An extension beyond that time may be granted by the City of Edmonton.

Please be advised that an appeal may be lodged in accordance to Section 678 of the Municipal Government Act with the Subdivision and Development Appeal Board, 10019 – 103 Avenue NW, Edmonton Alberta, T5J 0G9, within 14 days from the date of the receipt of this decision. The date of receipt of the decision is deemed to be seven (7) days from the date the decision is mailed.

If you have further questions, please contact Gilbert Quashie-Sam at gilbert.quashie-sam@edmonton.ca or 780-496-6295.

Regards,

Blair McDowell
Subdivision Authority

BM/gq/Posse #283718570-001

Enclosure(s)

Please be advised of the following:

Next Steps for Subdivision Approval

- The next step in the subdivision process is to have a legal instrument prepared (ie. Plan of Survey) in order to register the approved subdivision. The legal instrument is then forwarded to the City for endorsement along with the endorsement fee (\$662.00 - 2018 Fees Schedule) and subsequently released to the applicant for registration at the Land Titles Office.

Transportation

- There are existing boulevard trees adjacent to the site on 92 Avenue NW that must be protected during construction. For information about tree protection please refer to the City of Edmonton's web site (Trees and Construction).
- Access for future development must be to the adjacent alley in conformance with the Mature Neighbourhood Overlay Sec. 814.3(17) of the Zoning Bylaw #12800.
- The Strathcona neighbourhood is on the Neighbourhood Renewal program. This particular location is scheduled for reconstruction between 2019 and 2022. Subdivision Planning recommends that the owner/ applicant email BuildingGreatNeighbourhoods@edmonton.ca to coordinate any work on road right of way.
- There are existing stairs, walkway and a retaining wall adjacent to 92 Avenue NW that encroach on road right of way. Upon redevelopment of proposed Lots 21A and 21B, the existing stairs, walkway and retaining wall must be removed. The owner/applicant will be required to obtain a permit, available from Development and Zoning Services, 2nd Floor, 10111 104 Avenue.

Building / Site

- The owner shall ensure that any change in property boundaries does not cause any structures on site to become non-compliant with the Safety Codes Act and Alberta Building Code. Permits may be required for such changes. Please contact 311 for more information.

Servicing

- The owner is required to make satisfactory arrangements for, and pay all costs associated with separate servicing to each lot, as well as the modification, relocation and/or removal of existing services. For further information, please contact: EPCOR Distribution & Transmission Inc. (780-412-4000), TELUS Communications (Edmonton) Inc. (Real Estate Division [Rights of Way] 780-508-2456), ATCO Gas (780-424-5222) and EPCOR Drainage Services (water and sewer servicing 780-496-5444).
- The existing services (water and sanitary) enter the proposed subdivision approximately 13.6 m west of the east property line of Lot 21 off 92 Avenue NW. As per the EPCOR Drainage Services Bylaw and the EPCOR Water Services and Wastewater Treatment Bylaw, these services cannot cross the proposed property line.
- If power service crosses the proposed property line the owner may be required to provide a blanket easement in favour of EPCOR Distribution & Transmission Inc. If required, said easement shall be registered prior to or concurrent with the final plan of survey (contact EPCOR Land Administration Group at 780-412-3252).

RE: Tentative plan of subdivision to create one (1) additional single detached residential lot from Lot 24, Block 1, Plan 5271 MC located south of 54 Avenue NW and east of 107 Street NW;
PLEASANTVIEW

The Subdivision by Plan is APPROVED on July 19, 2018, subject to the following conditions:

1. that the owner obtain a permit to demolish the existing dwelling and garage prior to endorsement of the final plan. Demolition permits can be obtained from Development Services located on the 2nd floor of Edmonton Tower at 10111 - 104 Avenue NW;
2. that the owner remove and replace the existing lead water service to proposed Lot 24B (contact EPCOR Water Services at 780-412-3955); and
3. that the owner pay all outstanding property taxes prior to the endorsement of the plan of survey.

Enclosure I is an attachment of the major advisements throughout the subdivision process. Enclosure II is a map of the subdivision and identifies major conditions and advisements of this approval.

Please be advised that the approval is valid for one (1) year from the date on which the subdivision approval is given to the application. An extension beyond that time may be granted by the City of Edmonton.

Please be advised that an appeal may be lodged in accordance to Section 678 of the Municipal Government Act with the Subdivision and Development Appeal Board, 10019 – 103 Avenue NW, Edmonton Alberta, T5J 0G9, within 14 days from the date of the receipt of this decision. The date of receipt of the decision is deemed to be seven (7) days from the date the decision is mailed.

If you have further questions, please contact Gilbert Quashie-Sam at gilbert.quashie-sam@edmonton.ca or 780-496-6295.

Please be advised of the following:

Next Steps for Subdivision Approval

- The next step in the subdivision process is to have a legal instrument prepared (ie. Plan of Survey) in order to register the approved subdivision. The legal instrument is then forwarded to the City for endorsement along with the endorsement fee (\$662.00 - 2018 Fees Schedule) and subsequently released to the applicant for registration at the Land Titles Office.

Transportation

- Access for future development of proposed Lot 24B must be to the adjacent alley in conformance with the Mature Neighbourhood Overlay Sec. 814.3(17) of the Zoning Bylaw #12800.
- There is an existing access to 107 Street NW. Upon redevelopment of Lot 24B, the existing residential access to 107 Street NW must be removed. The owner/applicant will be required to obtain a permit to remove the access, available from Development and Zoning Services, 2nd Floor, 10111 – 104 Avenue

Building / Site

- The owner shall ensure that any change in property boundaries does not cause any structures on site to become non-compliant with the Safety Codes Act and Alberta Building Code. Permits may be required for such changes. Please contact 311 for more information.

Servicing

- The owner is required to make satisfactory arrangements for, and pay all costs associated with separate servicing to each lot, as well as the modification, relocation and/or removal of existing services. For further information, please contact: EPCOR Distribution & Transmission Inc. (780-412-4000), TELUS Communications (Edmonton) Inc. (Real Estate Division [Rights of Way] 780-508-2456), ATCO Gas (780-424-5222) and EPCOR Drainage Services (water and sewer servicing 780-496-5444).
- The existing service (water) enters the proposed subdivision approximately 9.14 m south of the north property line of Lot 24 off 107 Street NW. It is assumed that the sanitary service is in common trench with the water service. As per the EPCOR Drainage Services Bylaw and the EPCOR Water Services and Wastewater Treatment Bylaw, these services cannot cross the proposed property line.
- If power service crosses the proposed property line the owner may be required to provide a blanket easement in favour of EPCOR Distribution & Transmission Inc. If required, said easement shall be registered prior to or concurrent with the final plan of survey (contact EPCOR Land Administration Group at 780-412-3252).

RE: Tentative plan of subdivision to create one (1) additional single detached residential lot from Lot 28, Block 3, Plan 2831 HW, located south of 79 Avenue NW and east of 119 Street NW;
BELGRAVIA

The Subdivision by Plan is APPROVED on July 19, 2018, subject to the following conditions:

1. that the owner obtain a permit to demolish the existing dwelling and garage prior to endorsement of the final plan. Demolition permits can be obtained from Development Services located on the 2nd floor of Edmonton Tower at 10111 - 104 Avenue NW;
2. that the final plan of survey shall conform to the attached revised tentative plan; and
3. that the owner pay all outstanding property taxes prior to the endorsement of the plan of survey.

Enclosure I is an attachment of the major advisements throughout the subdivision process. Enclosure II is a map of the subdivision and identifies major conditions and advisements of this approval.

Please be advised that the approval is valid for one (1) year from the date on which the subdivision approval is given to the application. An extension beyond that time may be granted by the City of Edmonton.

Please be advised that an appeal may be lodged in accordance to Section 678 of the Municipal Government Act with the Subdivision and Development Appeal Board, 10019 – 103 Avenue NW, Edmonton Alberta, T5J 0G9, within 14 days from the date of the receipt of this decision. The date of receipt of the decision is deemed to be seven (7) days from the date the decision is mailed.
