RE: Tentative plan of subdivision to create one (1) additional single detached residential lot from Lot 20, Block 25, Plan 032 4296, located south and west of Trelle Crescent NW; **TERWILLEGAR TOWNE**

The Subdivision by Plan is REFUSED on December 6, 2018 for the following reasons:

1. much of the Terwillegar Towne neighbourhood was created through the efficient utilization of land. The result is a community with narrow lots and higher density. Further subdivision of these lots could not possibly be supported under current infill regulations. However, the subject lot is a size anomaly in the neighbourhood. Unfortunately, it cannot be subdivided in a traditional way, whereby it would yield consistent lot widths, depths, and a similar built form; and
2. in response to the limitations described in reason #1, the applicant's solution is to create an irregular shaped lot resembling a flag. The flag lot program is currently in pilot phase and requires an associated rezoning. It would be premature to approve a "flag lot" before analyzing the results of the pilot program.

Please be advised that an appeal may be lodged in accordance to Section 678 of the Municipal Government Act with the Subdivision and Development Appeal Board, 10019 – 103 Avenue NW, Edmonton Alberta, T5J 0G9, within 14 days from the date of the receipt of this decision. The date of receipt of the decision is deemed to be seven (7) days from the date the decision is mailed.
