4.	Decisions/Discussions		

4.1	<i>Chair's Report</i>	<i>J. Welch</i>	<ul style="list-style-type: none"> ● Joan informed the board that she wanted to keep them up to date on activities she participates in as Chair, so that everyone is aware as her term is finishing up. ● The City Clerk's office asks the Chairperson to review the applications for the CSAB vacancies and provide a short list that she recommends. The Chair then meets with the CPSC and provides her recommendations - and then the committee decides. The Chair is given the applications on a confidential basis and has the opportunity to provide input into the selection. ● Joan attended a RECOVER presentation - January 29, 2019 - was interesting to attend as a citizen. Research they do and case studies of people are really fascinating, as is the process. Looking at it for seniors - hard to reach and identify the barriers - the process actually involves talking to and finding solutions. ● (Action) RECOVER - update later this year on how things are going in Strathcona (Brent, complete; note added to work plan).
4.2	FCSS Education in Advance of the Provincial Election	<i>J. Smith</i>	<ul style="list-style-type: none"> ● To advocate to candidates in regards to the election and FCSS, the Advisory Board would need to go to Council with a report for approval. The Board agreed this was not a step they'd want to take. ● Judy informed the group of the FCSSAA campaign and the members will be provided with the link. ● Our funded agencies are being encouraged to share stories and how FCSS funding supports their outcomes on social media and to use our new FCSS logo. ● Advisory Board Members are encouraged to ask questions of politicians and share our video or info from our annual report. ● Judy also informed the group that FCSS is looking at more short videos of client/program stories and how FCSS impacts them - to tell some positive stories to help educate community.
