

Request to Plant Program:
Community Consent

The **Request to Plant** program is a City of Edmonton initiative which works to preserve and expand the urban forest through partnerships with community groups and individual residents.

Edmontonians interested in planting trees on public property are invited to submit a planting proposal for review by an Urban Forester. Final approval will be given based on a specific set of guidelines and requirements.

I hereby request consideration for planting the following tree(s):

Planting location details:

Estimated date of tree planting:

Homeowner's name:

Homeowner's signature:

Date:

The following neighbours are in agreement with the tree planting:

Property Owner's Name	Signature	Address	Date	Phone Number

City representative name:

City representative signature:

Date:
