

Arc Seniors' Pilot Information Sheet for Participants

Thank you for participating in the Arc seniors' pilot. Your feedback will be valuable in helping us make Arc available to seniors this fall. The pilot will run from **September 1** to **October 31**.

As a token of our appreciation, your name has been entered into a draw to win one of five Arc cards pre-loaded with a 2024 Annual Seniors' Pass. We will be announcing the winners at the end of the pilot in November.

A complimentary Arc card (\$6 value) is attached to this instruction sheet for you to use for the pilot. If you are asked to show proof of payment during the pilot, please show your Arc card. When the pilot ends, you can continue to use this card to pay for transit.

IMPORTANT: The 'live' myArc.ca site does not yet offer seniors fares. Pilot participants must use the Arc pilot portal to use the myArc.ca website. After the pilot ends and Arc becomes available more broadly to seniors, you will be able to use the live site to access your Arc account.

To sign in to the Arc pilot portal, go to pilot.myarc.ca and enter:

- Username: myArc
 - Password: RideTransit2023
- Note: Password is case-sensitive.
