

Construction Notice: Valley Line West LRT

Test Hole Drilling at 170 Street and 87 Avenue

- On or around March 20, 2021, crews will be verifying local ground conditions at 170 Street. This work is expected to last one day.
- Marigold Infrastructure Partners will be taking underground samples that will provide important data to guide the design and construction of the LRT infrastructure.

87 Avenue and 170 Street

- To accommodate this work, the northbound turning lane on 87 Avenue westbound will be closed during daytime hours (9 a.m. – 3 p.m.), however, right hand turns will still be permitted.
- During boring, there will be some limited engine noise.
- Every effort will be made to reduce the impact to the public.
- Pedestrian access will be maintained.
- There will be no impact to transit users.

The information in this bulletin is current to March 16, 2021. Please note that all dates are approximate and weather-dependent. We thank you for your patience during construction of the Valley Line West LRT project.
