

Construction Notice: Valley Line West LRT

AREA 8

Borehole Drilling on Webber Greens Drive between Suder Greens Drive and 199 Street

This is a supplemental area notice for work previously mentioned in the following notice: [Valley Line West: Construction Pre-work Bulletin \(edmonton.ca\)](#)

- Marigold Infrastructure Partners will be drilling boreholes for underground samples and utility locations that will provide important data to guide the design and construction of the LRT infrastructure. Once the sample has been acquired, the hole will be resealed.
- Beginning on or around June 6, 2021, crews will be verifying local ground conditions on Webber Greens Drive between Suder Greens Drive and 199 Street.

Webber Greens Drive between 199 Street & Suder Greens Drive

To accommodate this work, the public will be impacted in the following areas:

- This will be a Moving Work Zone – work will not be fixed to one location but will move from site-to-site along Webber Greens Drive between Suder Greens Drive and 199 Street.

- Crews will begin work in the eastbound lanes from the outside lane to the inside lane. Once work in the eastbound lanes is completed, crews will switch to the westbound lanes, again working from the outside lane to the inside lane.
- This work will occur during off-peak hours (9 a.m. – 3 p.m.)
- There will be periodic traffic interruptions while work occurs
- Pedestrian access will be maintained.
- Access to ETS Bus Stops will be maintained.
- This work is expected to last one week.
- Slight engine noise can be expected while drilling occurs.
- Every effort will be made to reduce the impact to the public.

The information in this bulletin is current to May 31, 2021. Please note that all dates are approximate and weather-dependent. We thank you for your patience during construction of the Valley Line West LRT project.
