### Tree Removals on Stony Plain Road at 133 Street

#### AREA 3

Starting on or around August 27, 2021, Marigold crews will remove two trees on Stony Plain Road at 133 Street. Trees are being removed to accommodate the construction of the Valley Line West LRT.

This work will occur during daytime hours (9 a.m. – 3 p.m.) and is expected to last one day.

#### **To accommodate this work, the public will be impacted in the following areas:**

- This work will occur during daytime hours (9 a.m. – 3 p.m.).
- Tree removals are expected to take one day to complete.
- All trees will be removed by a professional arborist.
- Marigold is aware of the residences in the area and will reduce noise as best as possible.

#### **\*With respect to tree removal:**

- Each tree affected has been assessed, recorded, and assigned a value by the City and Marigold.
- Under the City of Edmonton's Tree policy, Marigold will be compensating the City for each tree being removed.
- Marigold is committed to removing as few trees as possible. In fact, as crews move through the areas, they have already been able to reduce the number of trees to be removed in some locations.
- There will be a full landscaping plan that will see plantings of new native trees and shrubs to the area as part of the project.
