

Construction Notice: Valley Line West LRT

Tree Removals on 87 Avenue Near 189 Street

AREA 6

Starting on or around September 7, 2021, Marigold crews will begin removing trees on the public land on the south side of 87 Avenue on either side of 189 Street. Trees are being removed to accommodate the construction of the Valley Line West LRT.

This work will occur during daytime hours (9 a.m. – 3 p.m.) and is expected to last one week. Crews will be working on the boulevard on the south side of 87 Avenue, therefore, pedestrian traffic will be temporarily detoured to the north sidewalk while the work is being performed.

To accommodate this work, the public will be impacted in the following areas:

- This work will occur during daytime hours (9 a.m. – 3 p.m.)
- Pedestrian traffic will be detoured to the north side of 87 Avenue while the work is being performed.
- Tree removals are expected to take one week to complete.
- All trees will be removed by a professional arborist.
- Marigold is aware of the residences in the area and will reduce noise as best as possible.

***With respect to tree removal:**

- Each tree affected has been assessed, recorded, and assigned a value by the City and Marigold.
- Under the City of Edmonton's Tree policy, Marigold will be compensating the City for each tree being removed.
- Marigold is committed to removing as few trees as possible. In fact, as crews move through the areas, they have already been able to reduce the number of trees to be removed in some locations.
- There will be a full landscaping plan that will see the plantings of new native trees and shrubs to the area as part of the project.

87 Avenue at 189 Street

The information in this bulletin is current to August 31, 2021. Please note that all dates are approximate and weather-dependent. We thank you for your patience and understanding during the construction of the Valley Line West LRT project. Marigold Infrastructure Partners is excited to be a part of Edmonton's economic recovery.
