

Construction Notice: Valley Line West LRT

87 Avenue West Edmonton Mall Transit Centre to 170 Street and 175 Street

- From approximately February 16 to March 4, 2021, and March 9 to March 12, 2021, crews will be verifying local ground conditions on 87 Avenue at 175 Street, and between 170 Street and the West Edmonton Mall (WEM) Transit Centre.
- Marigold Infrastructure Partners will be drilling out samples that will provide important data about ground conditions to guide the design and construction of the LRT.

87 Avenue WEM Transit Centre to 170 Street

- The first set-up for borehole testing will happen on 87 Avenue between the WEM Transit Centre and 170 Street on or around February 16 to March 4, 2021.
- Westbound traffic on 87 Avenue will be reduced to one lane between 172 Street and the WEM Transit Centre.
- Work will occur Monday to Friday between 9 a.m. - 3 p.m.
- There will be a sidewalk detour for pedestrians travelling along 87 Avenue between the WEM Transit Centre and 170 Street.
- There will be no impact to transit users.

- There will be a second set-up for boreholes testing on or around March 9 to March 12, 2021 on a grassy area near the transit centre, that will not impact traffic, transit, cyclists or pedestrians.
- There will be some limited engine noise while work is happening in the area.

Southwest Corner of 87 Avenue and 175 Street

- Borehole testing will happen on the grassy area located just southeast of 87 Avenue and 175 Street on or around February 16 and 17, 2021.
- Work will occur between 9 a.m. - 3 p.m.
- Work will not impact traffic, transit users or pedestrians.
- There will be some limited engine noise while work is happening in the area.

The information in this bulletin is current to February 11, 2021. Please note that all dates are approximate and weather-dependent. We thank you for your patience during construction of the Edmonton Valley Line West LRT.
