

2026 FUNDED PROGRAMS FAMILY AND COMMUNITY SUPPORT SERVICES

PROGRAMS	AGENCY INFORMATION	FUNDING
Community Outreach and Living Skills Program (COLS) The Community Outreach and Living Skills Program (COLS) provides year-round, in-school and out-of-school programming for children and youth in grades 1-12. The program, based on developmental assets, builds healthy self-esteem, relationships, and coping skills, while also providing caregivers with resources and supports.	<u>Abbottsfeld Youth Project (AYP) Society</u> 10608 34 Street NW Edmonton, AB T5W 1Y2	\$323,374
ABC Head Start Family Engagement The ABC Head Start Family Engagement program supports children's healthy social-emotional development and promotes strong family bonds. It connects families to community resources and prepares children for educational success.	<u>ABC Head Start Society</u> Jerry Forbes Centre 12122 68 Street NW Edmonton AB T5B 1R1	\$355,109
Circle of Safety The Circle of Safety program supports Indigenous parents and children in fostering positive mental health, healthy boundaries, and communication skills. Interwoven with cultural teachings and ceremony, it aims to promote healthy social-emotional development.	<u>Aboriginal Counseling Services Association of Alberta</u> #204, 10010 105 Street Edmonton, AB T5J 1C4	\$64,066
FRAME- Wellness Champions (FRAME-WC) (Fostering Resilience, Active-living, Mental & Emotional – Wellness Champions) The FRAME- Wellness Champions program serves equity-seeking groups in vulnerable communities. Through community-driven initiatives, it works to improve child and youth social-emotional well-being, promote positive behaviours and strengthen community protective factors.	<u>Action for Healthy Communities Society of Alberta-AHC Alberta</u> #200 10578 113 Street Edmonton AB T5H 3H5	\$282,943
Inclusive Communities: Mitigating Vulnerabilities through Building Capacities The Inclusive Communities: Mitigating Vulnerabilities through Building Capacities program strives to strengthen financial resilience, social inclusion, and community cohesion using culturally driven and community driven approaches to address root causes of poverty and housing instability.		\$400,000
Pathways to Wellness Pathways to Wellness seeks to increase mental health literacy, reduce stigma, promote positive mental wellness, build social inclusion, and strengthen emotional resilience through culturally safe, community-based programming for newcomer and refugee communities.	<u>Alberta Immigrant Women & Children Centre</u> 13415C Fort Road Edmonton, AB T5A 1C6	141,904
Alder Early Learning & Family Resource Program The Alder Early Learning & Family Resource Program empowers young children to build identity and positive mental health through interactions with their peer group while helping caregivers set goals, access resources, and build resiliency and knowledge; including fostering cultural knowledge through Indigenous based teachings and involvement of community Elders.	<u>Alder Academy Early Learning Society</u> 10227 118 St NW Edmonton, AB T5K 2V4	152,000
T.A.N.G. (Towards A New Generation) Youth Program The T.A.N.G. (Towards A New Generation) Youth Program is year-round, out-of-school-time programming that promotes healthy social-emotional development in newcomer, first-generation, and refugee youth. It aims to build skills, self-confidence, and resilience, empowering youth to make positive lifestyle choices.	<u>ASSIST Community Services Centre</u> 9649 105A Avenue Edmonton, AB T5H 0M3	\$197,329
Culturally Responsive Mental Health Navigation Program The Culturally Responsive Mental Health Navigation Program addresses mental health needs of newcomer children, youth, families, and Chinese-speaking seniors through prevention-focused, culturally and linguistically responsive support to foster long-term resilience, inclusion, and emotional wellness in the community.		\$200,000

2026 FUNDED PROGRAMS FAMILY AND COMMUNITY SUPPORT SERVICES

PROGRAMS	AGENCY INFORMATION	FUNDING
Indigenous Wellness Parenting Program with Arts & Culture The Indigenous Wellness Parenting Program with Arts & Culture explores topics like intergenerational trauma, emotional regulation, and conflict resolution, supporting participants through culturally grounded practices. It fosters positive mental health and cultural pride, culminating in a graduation ceremony where participants create ribbon skirts or shirts.	<u>Ben Calf Robe Society</u> 12046 77 Street Edmonton, AB T5B 2G7	\$150,000
New in Town Aboriginal Welcome Service The New in Town Aboriginal Welcome Service provides guidance and support to Indigenous individuals and families who are new to Edmonton. The program aims to enhance protective factors that foster social inclusion, healthy lifestyles, economic stability, and cultural connection to build resilience, life skills, and confidence.	<u>Bent Arrow Traditional Healing Society</u> 11648 85 Street Edmonton, AB T5B 3E5	\$100,008
Wahkomatowin Seniors Wellness Program The Wahkomatowin Seniors Wellness Program promotes healthy aging for both Indigenous and non-Indigenous seniors in a fun and safe environment. This is achieved through holistic programming rooted in the Medicine Wheel practice, addressing mental, physical, emotional, and spiritual aspects.		\$124,800
BGC Big Brothers Big Sisters - Clubs and Out of School Time BGC Big Brothers Big Sisters - Clubs and Out of School Time programs offer options in 13 neighbourhoods and schools. These programs ensure children and youth are safe and are building relationships with caring, positive adult role models. Participants develop academic and life skills to promote healthy choices.	<u>BGC Big Brothers Big Sisters of Edmonton and Area</u> 9425 109A Avenue Edmonton, AB T5H 1G1	\$750,479
BGC Big Brothers Big Sisters - Mentoring The BGC Big Brothers Big Sisters - Mentoring program provides a caring adult mentor who becomes a natural support to children and youth, including Indigenous children and children leaving care. This healthy, natural support relationship protects young people against the impacts of trauma and helps them build resilience and social-emotional skills.		\$642,849
Community Bridge - Housing Loss Prevention The Community Bridge - Housing Loss Prevention program provides targeted support for individuals and families at risk of losing their housing due to payment arrears. The program provides one to one support and information to foster financial empowerment and housing stability.	<u>Bissell Centre</u> 10527 96 Street Edmonton, AB T5H 2H6	\$400,000
Early Childhood Development Program The Early Childhood Development Program offers evidence-based, early learning and care that supports family well-being. It provides free respite care spaces for low-income families, allowing caregivers to attend other supportive programs that address individual and family needs.		\$324,704
Family Support Services Family Support Services works to increase the resiliency of families with children aged 0-6, who are experiencing barriers to financial stability. Family support workers provide resources, referrals, coaching, and mentoring to help families increase their capacity to meet their needs and improve their quality of life.		\$249,600
Indigenous Cultural Support The Indigenous Cultural Support program, guided by an Elder/Knowledge-Keeper, works with people experiencing a disconnect from their culture. The program seeks to strengthen cultural identity and foster a sense of belonging through cultural teachings and building healthy relationships.		\$130,000

2026 FUNDED PROGRAMS FAMILY AND COMMUNITY SUPPORT SERVICES

PROGRAMS	AGENCY INFORMATION	FUNDING
The Community Wellness Connection Program (CWCP) The Community Wellness Connection Program (CWCP) is an equity-focused initiative that promotes social inclusion and holistic well-being for individuals at risk of mental health crises. It achieves this through cultural connection and community integration, helping participants strengthen personal support networks and build skills for long-term mental wellness.	<u>Boyle Street Community Services, The</u> 10363 104 Street NW (Mercer Warehouse) Edmonton, AB T5J 1B9	\$124,800
Interdisciplinary Team (IDT) The Interdisciplinary Team (IDT) program for youth is a trauma-informed approach and holistic model of care to foster resilience through improved life skills, enhanced knowledge of community resources, and increased networks of social support to reduce the risk of homelessness or poverty.		\$525,000
Peer-Led Pathways for Community Mental Health (or Peer-Led Pathways) Peer-Led Pathways strengthens community mental health through a coordinated, city wide network of peer-led engagement, training, and support within equity-deserving communities. The program aims to build Edmonton's peer support infrastructure, empower individuals with lived experience, and increase access to culturally appropriate, low-barrier supports for early intervention.	<u>Canadian Mental Health Association – Edmonton Region</u> #300, 10010 105 Street Edmonton, AB T5J 1C4	\$250,000
Family and Community Resource Centre The Family and Community Resource Centre supports individuals and families in Northeast Edmonton through participant-led one-on-one support, flexible group programming, and community connecting events. These activities help individuals and families navigate challenges, address systemic barriers, reduce social isolation, build healthy relationships, and ultimately empower them to improve their mental health and resiliency.	<u>Candora Society of Edmonton, The</u> #262 Riverview Crossing 3210 118 Avenue Edmonton, AB T5W 4W1	\$250,000
Elder Abuse Resources & Supports (EARS) The Elder Abuse Resources & Supports (EARS) program fosters positive mental health and social inclusion of vulnerable seniors. It provides opportunities to increase knowledge about community resources, build life skills, and develop connections through healthy relationships.	<u>Catholic Social Services</u> 12431 Stony Plain Road Edmonton, AB T5N 3N3	\$83,340
Newcomer Wellness and Social Connections Program (NWSCP) The Newcomer Wellness and Social Connections Program (NWSCP) offers integrated, safe and culturally-responsive programming that provides newcomers with increased knowledge of community resources, fosters improved mental health, enhances skills, and supports overall well-being.		\$300,000
Literacy Links The Literacy Links program is tailored for caregivers with children aged 0-6 years. The program provides caregivers with tools and activities that can be easily integrated into daily routines to promote positive, healthy interaction and support social emotional and cognitive development.	<u>Centre for Family Literacy Society of Alberta</u> 11642 142 Street NW Edmonton AB T5M 1V4	\$124,800
Group Support Programs The Group Support Programs includes: the Healthy Relationships Support Group for women, the Helping Children with Loss program for caregivers, and the Seniors Mental Wellness Support Group for older adults. These programs provide practical tools for building healthy boundaries, equipping adults to support grieving children, and helping seniors navigate life transitions. The programs' goal is to proactively foster emotional resilience, enhance mental wellness, and reduce isolation by strengthening coping skills and building supportive community connections.	<u>Cornerstone Counselling Society of Edmonton (The)</u> 10230 142 Street NW Edmonton, AB T5N 3Y6	\$96,906
Youth Resilience Building Program The Youth Resilience Building Program is a community-based program for youth aged 12 to 30. The program works to improve outcomes for participants by enhancing their protective factors through increasing their circles of support, and strengthening their cultural identity and sense of belonging.	<u>Council for the Advancement of African Canadians in Alberta</u> #106, 11808 St Albert Trail NW Edmonton, AB T5L 4G4	\$391,040

2026 FUNDED PROGRAMS FAMILY AND COMMUNITY SUPPORT SERVICES

PROGRAMS	AGENCY INFORMATION	FUNDING
Neighbourhood Drop-In and Family Resource Program The Neighbourhood Drop-In and Family Resource Program is a low-barrier, relationship-centered initiative designed to reduce isolation, strengthen resilience, and promote well-being through consistent, preventive support to individuals and families living with social, emotional, and economic vulnerabilities.	<u>Dickinsfield Amity House</u> 9213 146 Avenue Edmonton, AB T5E 2J9	\$291,200
ArtStart ArtStart is a free, afterschool program for school-aged children identified as needing social-emotional development support. It uses the arts to build protective factors by focusing on three main themes: self, self and others, and self and community.	<u>Edmonton City Centre Church Corporation</u> 9321 Jasper Avenue Edmonton, AB T5H 3T7	\$62,241
Early Learning Services The Early Learning program is a comprehensive preschool and family support program for families with low-incomes. It enhances children's physical, social, emotional, cognitive, and creative development, and supports parents in improving their parenting skills and meeting their goals.		\$293,376
Financial Empowerment Program The Financial Empowerment program offers person-centred services to help low-income individuals and families improve their financial well-being, build economic resilience, and reduce vulnerability to poverty and homelessness.		\$97,651
School Nutrition Program The School Nutrition Program offers nutrition support to children so they can concentrate on their schoolwork. Nutrition Support Workers (NSWs) create a safe and welcoming environment to help students to build communication skills, and foster social connections and belonging.		\$151,145
New Neighbours The New Neighbours program helps newcomers adapt to Edmonton life and become active community members. It matches newcomers with volunteers for friendship and support, provides information on Canadian life, and coordinates group activities to build social networks and a sense of belonging.	<u>Edmonton Immigrant Services Association</u> #201, 10720 113 Street Edmonton, AB T5H 3H8	\$175,978
EMOW Volunteer Program The EMOW Volunteer Program engages community members through meaningful, structured volunteer opportunities that offer inclusive work experience, foster a strong sense of community, and support the physical and emotional well-being of vulnerable Edmontonians while enhancing their own positive mental health and community connection.	<u>Edmonton Meals on Wheels</u> 11111 103 Avenue Edmonton, AB T5K 2P1	\$250,000
Global Youth The Global Youth program promotes healthy relationships and stronger community ties for high school-aged youth and young adults. It creates a safe and inclusive space to cultivate positive identity development and navigate new social environments with greater ease through mentorship, peer connection, and culturally responsive guidance.	<u>Edmonton Newcomer Centre</u> 10170 112 Street NW Edmonton AB T5K 1M1	\$192,992
Action for Teens The Action for Teens program aims to strengthen immigrant youths' sense of identity, belonging, and self-confidence. Activities are strength-based, trauma-informed, and culturally sensitive and engage youth in developing positive relationships and increasing their social support networks.	<u>Family Centre of Northern Alberta (Association). The</u> #20, 9912 106 Street Edmonton, AB T5K 1C5	\$158,858
Drop In Single Session Counselling & Continuous Intake Model The Drop In Single Session Counselling & Continuous Intake Model program provides timely, barrier-free, and inclusive mental health support for children, youth, adults, and families across Edmonton. Using a strength-based, solution-focused approach, therapists offer no-cost counselling virtually and at eight embedded community locations. The program's goal is to provide accessible and barrier-free mental health support for people, building resilience, coping skills, and fostering healthy relationships before challenges escalate.		\$269,580

2026 FUNDED PROGRAMS FAMILY AND COMMUNITY SUPPORT SERVICES

PROGRAMS	AGENCY INFORMATION	FUNDING
Education Services The Education Services program provides psychoeducational classes aimed at improving and strengthening participants' protective factors and wellbeing. The classes cover topics such as healthy communication, problem solving, parenting, and healthy lifestyle behaviours. Other topics include addictions, coping skills, self-esteem, assertiveness, managing anger, conflict resolution, dealing with anxiety and depression, and forming healthy relationships.	<u>Family Centre of Northern Alberta (Association), The</u> #20, 9912 106 Street Edmonton, AB T5K 1C5	\$91,030
Roots and Wings The Roots and Wings program provides support for families struggling with parenting and family disruption due to poverty, mental health, or isolation. It focuses on building life skills and fostering independence through in-home family and caregiver support, caregiver connection groups and school capacity building.		\$765,104
Youth Community Safety Liaison (YCSL) NET Program As part of the Neighbourhood Empowerment Team (NET) partnership with the City of Edmonton and the Edmonton Police Service, Youth Community Safety Consultants (YCSC) address youth safety concerns by bringing together community interest holders to collectively address systemic issues identified through data-driven approaches.		\$100,000
Early Years Support The Early Years Support program offers parental support and early child development education to families with children aged 0-6 years. It includes one-on-one family mentorship in the home, as well as other activities that build on family strengths, develop children's social and emotional learnings, and increase caregivers' confidence in parenting.	<u>Family Futures Resources Network Society</u> #101, 4341 Savaryn Drive SW Edmonton, AB T6X 2E8	\$244,048
Kids With Confidence - Child and Youth Program The Kids with Confidence - Child and Youth Program provides opportunities for children and youth aged 6-18 to strengthen their social, problem-solving, and leadership skills. Parents are provided information and learning opportunities to support their understanding of child and youth development, increasing their confidence and capacity in parenting.		\$293,782
Free to Play: Healthy Social Emotional Development for Vulnerable Youth The Free to Play: Healthy Social Emotional Development for Vulnerable Youth program empowers vulnerable and marginalized/BIPOC children and youth from low-income families to make new friends and develop a sense of belonging. It also helps them develop positive social, emotional, and mental well-being, build health and physical literacy, acquire new skills and access adult mentors in a safe and welcoming space.	<u>Free Play for Kids Inc.</u> 12720 Victoria Trail NW Edmonton, AB T5A 5G4	\$312,000
Stepping Stones to Leadership The Stepping Stones to Leadership program provides culturally appropriate, low-barrier support to build individual capacity, strengthen financial resilience, and expand social connection to support long-term stability in areas like housing and family wellbeing. Participants gain tools, confidence, and leadership skills to navigate systems and advocate for themselves and their families.	<u>Gateway Association for Community Living</u> #201, 10941 120 Street NW Edmonton, AB T5H 3R3	\$250,000
iSucceed iSucceed is a leadership, education, and skill development program for youth aged 16–24 who are ready to focus on long-term goals. It helps youth gain skills and confidence for employment or education, fostering financial stability and preventing poverty or homelessness.	<u>iHuman Youth Society</u> 9635 102A Avenue NW Edmonton, AB T5H 0G3	\$140,000
Inner City Youth Engagement Program The Inner City Youth Engagement Program supports marginalized urban Indigenous and other youth to develop social skills, build healthy social networks and access resources and services that promote independence and responsibility. Programming enhances culture, promotes wellness, and adds stability to the lives of participants.	<u>Inner City Youth Development Association</u> 11205 101 Street Edmonton, AB T5G 2A4	\$78,289

2026 FUNDED PROGRAMS FAMILY AND COMMUNITY SUPPORT SERVICES

PROGRAMS	AGENCY INFORMATION	FUNDING
Green Room Program The Green Room Youth Program enables Muslim children and youth to learn positive and culturally relevant social and emotional development skills that will allow them to know more about their culture and embody their cultural identity within Edmontonian society. The program offers a wide-variety of programming in three streams - Connection, Growth and Service - which enables participants to grow, learn new skills, and own their cultural identity within the community.	<u>Islamic Family and Social Services Association (IFSSA)</u> 2-786 10545 108 Street Edmonton, AB T5H 2Z8	\$204,381
On-Campus Mental Health Program The On-Campus Mental Health Program provides culturally and spiritually responsive mental health support for racialized Muslim and BIPOC youth (ages 15–25). It embeds "Cultural Navigators" in schools to provide peer support, counseling, and workshops, aiming to reduce mental health stigma, foster belonging, build resilience, and improve access to culturally safe mental health resources.		\$150,000
Jasper Place Family Resource Centre-Family Support Program (JPFRC-FSP) The Jasper Place Family Resource Centre-Family Support Program (JPFRC-FSP) Program offers a continuum of parent, caregiver, and child-related services aimed at strengthening the family unit and enhancing individual well-being. Program activities include early learning, parent and caregiver education, prenatal support, and navigation of and connection to community services.	<u>Jasper Place Child and Family Resource Society</u> 16811 88 Avenue Cabrini Building, Main Floor Edmonton, AB T5R 5Y6	\$398,562
Edmonton Healing Centre The Edmonton Healing Centre provides specialized, short-term support for youth, newcomers, and individuals experiencing trauma. The goal is to help more people heal and feel well through culturally informed counselling and peer support groups.	<u>Jewish Family Services</u> ParkWest 5, Suite 104, 15023 123 Avenue NW Edmonton, AB T5V 1J7	\$88,400
Parenting Together The Parenting Together program is an umbrella title for the programs and services delivered by KARA Family Resource Centre to clients and the community. The program includes three core service delivery areas: Early Childhood Development & Parent / Child Interactive Programs, Parent Education Groups and Workshops, and Family Support & Family Navigation.	<u>KARA Family Resource Centre</u> 6717 132 Avenue Edmonton, AB T5C 2A4	\$381,409
Kids Kottage Nursery Family Resource Program The Kids Kottage Nursery Family Resource Program provides caregivers with resources, support, and community referrals. The program aims to improve the well-being of children and families by supporting families to build resilience and stability.	<u>Kids Kottage Foundation</u> 10107 134 Avenue NW Edmonton, AB T5E 1J2	\$100,000
Aboriginal Family Services (AFS) Aboriginal Family Services (AFS) serves Indigenous children, youth, and families by providing parenting support, youth mentorship, and help with navigating systems and resources such as housing, income, and education. Through consistent and culturally safe support, AFS aims to strengthen enduring protective factors that foster resilience, wellness, and connection to community.	<u>Métis Child & Family Services Society</u> 10437 123 Street Edmonton, AB T5N 1N8	\$197,059
Counselling and Support Program The Counselling and Support Program provides accessible and affordable Solution-Focused Brief Therapy including free, drop-in support groups designed to foster connection, reduce isolation, and build coping strategies. This strengths-based approach empowers individuals with improved skills to develop and maintain positive mental health and make momentum towards change.	<u>Momentum Walk-In Counselling Society</u> #132 6325 Gateway Blvd NW Edmonton, AB T6H 5H6	\$200,000
Thriving Families Program (THRIVE) The THRIVING FAMILIES PROGRAM (THRIVE) is designed to ensure the well-being and foster healthy relationships for immigrant and refugee children, youth, and families. It offers group programming, including ethnocultural specific parenting groups, girl-specific group programming, and short-term summer youth groups.	<u>Multicultural Family Resource Society</u> 9538 170 Avenue Edmonton, AB T5H 0T7	\$250,493

2026 FUNDED PROGRAMS FAMILY AND COMMUNITY SUPPORT SERVICES

PROGRAMS	AGENCY INFORMATION	FUNDING
Family Support Office: Cultivating Connection and Resilience for Newcomers The Family Support Office: Cultivating Connection and Resilience for Newcomers offers holistic, culturally responsive group and 1:1 programming to support newcomers in their settlement journey. The program aims to foster positive mental health, reduce social isolation, and build skills and resilience, empowering individuals and families to proactively address challenges and establish strong foundations for well-being.	<u>Multicultural Family Resource Society</u> 9538 170 Avenue Edmonton, AB T5H 0T7	\$200,000
Child and Family Support Program The Child and Family Support program provides free educational programming, in-home services, short-term counselling, and other support to strengthen parent/child relationships. It helps parents continue building stable, caring homes in which children can develop and thrive.	<u>Norwood Child & Family Resource Centre</u> 9516 114 Avenue Edmonton, AB T5G 0K7	\$809,145
Get Connected Program The Get Connected Program works with vulnerable youth to build relationships, provide information and referrals, and advocate for them when necessary. This program focuses on role modelling healthy relationships and helps youth connect socially, and develop life, social, and positive coping skills.	<u>Old Strathcona Youth Society</u> 10325 83 Avenue Edmonton, AB T6E 4T2	\$130,208
Trans and Gender Diverse Program The Trans and Gender Diverse Program works with marginalized trans and gender diverse community members to be a safe space to connect with others. The program helps participants gain the capacities to develop and retain social connections within their gender diverse and intersectional communities. Activities include groups, advocacy, soft (non-clinical) counselling, and building relationships with BIPOC-centering organizations.	<u>Pride Centre of Edmonton, The</u> 10608 105 Avenue Edmonton, AB T5H 0L2	\$99,934
Child and Youth Support and Development Initiative The Child and Youth Support and Development Initiative works with vulnerable children and youth in the southwest to foster healthy social and emotional development, strengthening identity building, resilience and sense of belonging. Various activities and supports are offered including early childhood and parent support, youth engagement and mentoring, and bridging connections between parents and schools.	<u>Riverbend Reaching Out to Community and Kids Society</u> P.O. Box 21024 Terwillegar Edmonton AB T6R 2V4	\$152,880
Economic Mobility through Coaching and Community Connections Initiative The Economic Mobility through Coaching and Community Connections Initiative supports vulnerable families, especially women and youth living in the Cvida Social Housing Complex and surrounding areas, to enhance financial stability, social inclusion, and overall well-being by integrating structured skill-building and relationship-focused social activities.		\$78,000
Seniors Community Animation The Seniors Community Animation program is a senior-led, community-building initiative rooted in the lived experiences, cultures, and strengths of Edmonton's diverse older adult population. Believing seniors are powerful agents of change, the program activates their knowledge, leadership, and social capital to build vibrant, resilient communities and boost mental health from the ground up.	<u>SAGE Seniors Association</u> 15 Sir Winston Churchill Square Edmonton, AB T5J 2E5	\$600,000
Sexual Assault Centre of Edmonton (SACE) Public Education Program The Sexual Assault Centre of Edmonton (SACE) Public Education Program offers workshops and educational programming on sexual violence to the community at no fee, to increase understanding of sexual violence, connect people to resources, and build skills to prevent violence and respond supportively to victims. The program also works with businesses and organizations to support them in developing their own capacity and infrastructure for preventing and responding to sexual violence.	<u>Sexual Assault Centre of Edmonton</u> #205, 14964 121A Avenue Edmonton, AB T5V 1A3	\$450,000

2026 FUNDED PROGRAMS FAMILY AND COMMUNITY SUPPORT SERVICES

PROGRAMS	AGENCY INFORMATION	FUNDING
Moving Up The Moving Up program supports expecting and parenting adolescents and their families to develop skills to maintain positive mental health, increase access to resources, and improve social support networks through one to one support, group programming and leadership activities. This approach empowers participants to achieve educational and parenting goals, supporting overall personal development, strengthening communication skills, nurturing healthy parent-child attachment and co-regulation, and expanding the family's natural and community resources.	<u>Terra Centre for Teen Parents</u> 10320 146 Street Edmonton, AB T5N 3H2	\$318,614
YMCA of Northern Alberta: Building Future-Ready Youth YMCA of Northern Alberta's "Building Future-Ready Youth" empowers underserved youth aged 13-19 by providing equitable access to mentorship, employability training, and mental health support. This preventive program integrates three evidence-based programs: the Youth Transitions Program (YTP) for high-barrier youth, YMCA Alternative Suspension for students facing expulsion, and Y Mind for youth experiencing anxiety. The program's holistic goal is to foster education and employment success, promote mental wellness, and prevent poverty and homelessness by addressing interconnected needs.	<u>The Young Men's Christian Association of Edmonton</u> 10210 111 Street NW Edmonton, AB T5K 1K9	\$110,000
Improving Newcomers' Mental Health through Education and Community Service Improving Newcomers' Mental Health through Education and Community Service promotes positive mental health in immigrants and refugees by increasing their awareness, inclusion, and access to mental health services through culturally appropriate/responsive support. The program employs a family/community-based model for increasing mental health equity, utilizing a comprehensive preventive and promotional strategy, combining public education, community outreach and community service.	<u>United Cultures of Canada Association</u> 810 Saddleback Rd NW #2 Edmonton, AB T6J 4W4	\$91,508
Youth Support Centre (YSC) The Youth Support Centre (YSC) provides a welcoming and supportive environment where youth can access resources and support. This program helps youth navigate systems and connect with services, access mental health support, develop goals, and build life skills.	<u>Y.E.S.S.: Youth Empowerment and Support Services</u> 9310 82 Avenue Edmonton, AB T6C 0Z6	\$170,000
Service Connections Service Connections is relationship-based, prevention programming for at-risk youth (ages 13–25) to build personal resilience, community connection, and long-term self-sufficiency. The program delivers wraparound outreach, employability skills, and dedicated support to bridge youth across complex barriers to receive the services they need.	<u>Youth Canada Association (YOU CAN)</u> 10315 109 Street Edmonton, AB T5J 1N3	\$100,000

2026 FUNDED PROGRAMS FAMILY AND COMMUNITY SUPPORT SERVICES

PROGRAMS	AGENCY INFORMATION	FUNDING
211 Edmonton The 211 collaboration operates an essential, 24/7 multi-platform navigation hub connecting individuals to vital social, and community supports. This trauma-informed and culturally responsive service helps people navigate complex service systems and acts as a front-door access point for coordinated initiatives. It reduces reliance on emergency services, and tracks real-time needs and gaps to address systemic barriers and inform community planning.	<u>Canadian Mental Health Association – Edmonton Region</u> #300, 10010 105 Street Edmonton, AB T5J 1C4	\$335,000
Human Services Council - Edmonton The Human Services Council serves as a backbone organization, governed by and for the sector, to convene, listen, and advocate on behalf of Edmonton's human services ecosystem by amplifying shared voices within the community. The Council works to address structural barriers by focusing on sector-wide leadership development, strategies for staff wellness and retention, community-driven storytelling, and inclusive governance. This coordinated approach aims to foster collective impact, reduce duplication, and ensure more effective, integrated, and accessible preventive social services for all community members.	<u>Edmonton Chamber of Voluntary Organizations</u> 9426 51 Avenue NW Edmonton, AB T6E 5A6	\$150,000
Establishing and Sustaining Equitable Community Engagement in the Design, Delivery, and Evaluation of Preventive Programming: An Action Research Initiative The Establishing and Sustaining Equitable Community Engagement in the Design, Delivery, and Evaluation of Preventive Programming: An Action Research Initiative supports the recognition, access to, and effective use of community voice within social services agencies. Through a Participatory Action Research (PAR) collaborative, the project will identify promising practices for equitable community engagement and implement tailored action projects with partner organizations. These activities, along with knowledge sharing and co-learning, aim to ensure people-centred knowledge is used for effective preventive program design, delivery, and evaluation. The goal is to strengthen the sector's comprehensive understanding of community needs by working in partnership with communities.	<u>Edmonton Social Planning Council</u> 10320 146 Street NW Edmonton, AB T5N 3A2	\$150,000
Enacting CUP's 2024-2028 Strategic Plan: Strengthening Capacity and Connections in Edmonton's Social Services Sector The "Enacting CUP's 2024-2028 Strategic Plan" initiative works to create better services for all Edmontonians by strengthening the social services sector through three key pillars, making research and evaluation capacity more accessible; expanding and strengthening a network of supports and training opportunities; and leveraging connections between sectors, disciplines, and systems. The work fosters collaborations and innovation to ensure children, youth, and families can access high-quality, evidence-informed services that enhance quality of life and wellbeing.	<u>Governors of the University of Alberta. The Community-University Partnership</u> 3-300 Edmonton Clinic Health Academy 11405 87 Avenue School of Public Health University of Alberta Edmonton, AB T6G 1C9	\$125,000
C5 Collaborative The C5 Collaborative provides barrier-free, integrated service delivery to individuals in Edmonton's North East community, with a focus on newcomers, Indigenous families, and marginalized populations. Through its integrated community hubs, the collaborative offers wraparound services to increase social inclusion and address root causes of social issues.	<u>Norwood Child & Family Resource Centre</u> 9516 114 Avenue Edmonton, AB T5G 0K7	\$250,000
Empowering Youth through Skills Support (EYSS) The Empowering Youth through Skills Support (EYSS) Program is a multi-partner initiative supporting youth aged 18-25 who are out of school and facing barriers to education and employment. In a trauma-informed, culturally safe, and strengths-based environment, participants rebuild foundational skills and regain confidence through 15-week cohorts.	<u>PALS - Project Adult Literacy Society</u> #416, 9707 110 Street Edmonton, AB T5K 2L9	\$200,000

2026 FUNDED PROGRAMS FAMILY AND COMMUNITY SUPPORT SERVICES

PROGRAMS	AGENCY INFORMATION	FUNDING
Ed(men)ton: A Collaborative Supporting Men Terra Centre for Teen Parents and the enCompass Community Safety Agency are working together to create an inclusive collaboration of organizations that provide services to men. Community groups and men from all walks of life will be invited to share their wisdom, experience and assets to identify service gaps and develop solutions. The project will create awareness of the supports that exist for men and increase opportunities for men to access coordinated and barrier-free services to strengthen their mental, emotional and physical well-being.	<u>Terra Centre for Teen Parents</u> 10320 - 146 Street Edmonton, AB T5N 3H2	\$125,000
Public Education and Awareness Raising (PEAR) The Public Education and Awareness Raising (PEAR) initiative delivers workshops on healthy relationships to youth, professionals, and the general public to increase protective factors, build resiliency, and empower individuals to foster healthy relationships, thereby contributing to a decrease in family violence. A variety of workshops are offered to help community members recognize domestic abuse and respond to disclosures. Workshops for youth use a strength-based approach focused on skill development in communication and conflict resolution.	<u>Today Family Violence Help Centre, The</u> 17724 102 Avenue NW Edmonton, AB T5S 1H5	\$109,134
All in for Youth All In for Youth (AIFY) is a collaborative, preventive initiative that aims to increase high school graduation rates among vulnerable youth, and help break the cycle of poverty. It provides in-school supports such as mental health services and success coaching, along with home-based family support, to build resiliency and improve their economic and health outcomes as adults.	<u>United Way of the Alberta Capital Region</u> 15132 Stony Plain Rd Edmonton, AB T5P 3Y3	\$1,300,000
Empower U - Building Confident Futures Empower U – Building Confident Futures is a financial empowerment initiative and collaborative, that helps diverse and underserved populations, especially women and low-income families, achieve financial stability. Through financial literacy education, one-on-one coaching, and a matched savings program, it aims to prevent financial instability and foster lasting generational change.		\$175,000

SENIORS COORDINATED OUTREACH PROGRAM - "Hello Seniors"

AGENCY INFORMATION	FUNDING
The Seniors Coordinated Outreach program "Hello Seniors" offers seamless services and holistic support to isolated, vulnerable and/or low-income older adults. Supports are focused to help them make informed decisions about their life situation, increase their social connections, and experience increased social and emotional well-being. The Edmonton Seniors Coordinating Council coordinates the work of the Hello Seniors collaborative through program administration, partnership development, strategic implementation, and shared resource management.
