

DEAR RE/MAX FIELD AREA RESIDENTS:

In 2019, parking restrictions during major RE/MAX FIELD events will be in effect during the times indicated on the schedule. During a major event, only vehicles displaying a valid permit may park in the restricted residential parking area. Please refer to the map for the highlighted areas affected by the parking restrictions.

- **Parking in restricted areas is a violation if a valid permit is not displayed on the front windshield of the vehicle.**
- **Vehicles in violation may be fined \$100.00 and towed from site.**
- **It is an offence under the Traffic Bylaw, Bylaw 5590, section 74 (\$250.00 fine) to drive across a sidewalk or boulevard where there is no curb crossing in order to park vehicles.**

To obtain a residential parking permit you must be a resident of the restricted area shown on the map, and be able to produce a valid vehicle registration documenting your residency in the restricted area. Single dwelling homes and multi-family buildings (three stories or less) qualify for parking permits. Residents can apply for a Temporary Parking Permit for guests at least one week prior to an event (temporary permits are only available online).

- Motor vehicle registration documents;
- A letter of authorization from the registered owner indicating that the applicant has approval to use the vehicle; and

- Motor vehicle registration documents; and
- Any other verifiable documentation such as a utility bill for the subject address in the name of the resident.

★ Under no circumstances will a Restricted Residential Parking Permit be issued to an address without a registered vehicle being identified.

★ Parking in restricted areas is a violation for residents if a valid permit is not displayed.

The City of Edmonton Traffic Bylaw, Bylaw 5590:

Section 37: A vehicle shall not be parked on a highway in any location where a permit to park is required unless a valid and subsisting permit is clearly displayed on the vehicle.

Section 37.1: A vehicle shall not be parked on a highway in any location where a permit to park is required during major stadium events unless a valid and subsisting permit is clearly displayed on the vehicle.

PARKING ON PRIVATE PROPERTY

Property owners selling or providing parking spaces for Re/Max Field patrons on privately owned property, like a back yard, front yard, or driveway, is strictly prohibited in residential zones. **A development permit and a business license are required for this type of activity but cannot be obtained in residential areas.** Municipal Enforcement Officers will be in the community during events to specifically deal with illegal parking lots and businesses operating without a business license. The minimum fine for operating without a business license is \$400, and for operating without a development permit is \$1000. For more information, please contact 311.
