

About Events

Really Simple Syndication (RSS)

* Get automatic updates from the calendar by subscribing to the RSS feed.

* You can customize your feed by narrowing the search criteria before clicking the RSS button.

* When using the RSS feed for a report, clear all search criteria and turn Permanent Closures off.

Event Actions

* Click the check boxes to select events you want to track or share and chose an event action.

Event List

* Events are grouped by day and sorted by Start Date in ascending order.

* The Event List displays the current date by default. Use the Calendar Widget or the Go To Date Field to see past/future events.

Event Icons

- * New event
- 📅 Updated event
- 🕒 Changed date or time

About Searching

Search Criteria

* Lists all active search criteria.
* Clear all search criteria to reset the Event List to the default view.

Calendar Widget

* Hover over a day to see a list events pop up. Click on a day to update the event list or select an event from the pop up list.
* Can't click on a day? Try clearing all the search criteria and make sure Permanent Closures is turned on.

Go To Date Field

* Enter a day, month and/or year.

Keyword Search Field

* Enter keyword(s). Separate multiple keywords with commas.
* Keep search terms simple. Do not use punctuation (St not St.).

Filters

* Filter events to narrow the criteria for your search.
* Click check boxes or words to turn filters on and off.
* More than one filter may apply to an event. Try turning all the filters off and select them one at a time.

About Events

Event Details

*Event details provide all the information about an event.

*If more information about a project or event is available online, a Website link will be provided.

Event Actions

*You can interact with events in several ways:

- Forward an event to friends
- Set up a reminder
- Add an event to your calendar
- Download event information
- Track event changes

The screenshot shows the City of Edmonton website's 'Roads & Traffic Updates' page. At the top, there is a navigation bar with categories like 'Attractions & Recreation', 'Business', 'Bylaws & Licences', 'City Government', 'Environmental', 'For Residents', and 'Transportation'. The 'Transportation' category is selected. Below the navigation bar is a search bar and a calendar for February 2010. The main content area features a sidebar with 'Transportation Services' and 'Roads & Traffic' options. The main article is titled '23 Ave. Interchange Construction' and provides details such as the date (Monday, December 14, 2009 – Thursday, September 30, 2010), location (Gateway Blvd. / Calgary Tr at 23 Ave.), and description (Reduced Lane Widths, Reduced Speed Limit). At the bottom of the article, there are links to 'Add to My Calendar', 'Forward to Friends', and 'Back to Previous View'. A footer note states 'Events calendar powered by Trumba'.

About Navigating

Searching & Filtering

* Using the search functions while viewing event details will take you back to the event list

Back to Previous View

* Avoid using the back/refresh button on your browser. Using these buttons will reset the page.

* To navigate back to the event list click Back to Previous View.

Links & Bookmarks

* If you would like to link to and event or bookmark an event, use the Permalink.
