

"PRAIRIE SLOUGH"  
by Margaret Chappelle, Edmonton  
Medium: Oil on Canvas (33" x 39")

Traditional palette knife painting, broadly handled. It is a painting of atmosphere; that hazy glimmering light that bounces between open stretches of water and open prairie skies. There is great subtlety of colour, particularly in the greys. All forms in nature are here of secondary importance. The painting is about light, air, and open space.
