

July 2026

Mill Creek Trestle Bridge Girder Transportation and Lift

As part of the ongoing Mill Creek Trestle Bridge and Culvert Replacement Project, crews are scheduled to begin bridge girder installation starting the evening of Sunday, July 12.

To accommodate heavy machinery and ensure public safety, residents and commuters should expect temporary traffic disruptions and parking restrictions in the area. Please review the details below.

Construction and traffic details

- **July 12, 7 p.m. to midnight:** 76 Avenue will be closed east of 89 Street for crane assembly, though flaggers will be on-site to assist local traffic.
- **July 13 to July 15, before 7 a.m.:** Expect delays on 89 Street and 76 Avenue as large delivery trucks back into the construction zone.

Temporary Parking Restrictions

To ensure delivery trucks and cranes can safely access the site, street parking will be prohibited in the following zones during these activities:

- Along 89 Street, between 76 Avenue and 82 Avenue
- Along 76 Avenue, between 85 Street and 89 Street
- **Vehicles parked in these designated no-parking zones during the restricted times may be subject to towing. See the map on the back of this bulletin.**

Thank you for your patience and cooperation as we work to complete this vital infrastructure upgrade safely and efficiently. Please drive carefully and obey all construction signage and flag personnel.
