

Construction Notice – Southbound Lane Closures on 111 Street near 23 Avenue

Beginning **on/around May 18**, Ledcor will temporarily close a section of **southbound traffic lanes on 111 Street between 23 Avenue and Century Park station** to accommodate drainage work for the next construction phases of the 23 Avenue intersection.

- The **southbound right lane closure** will remain in place **during peak and off-peak hours**.
- The **southbound middle lane closure** will only be in place **during off-peak hours from 9:00 a.m. to 3:00 p.m.** and will reopen at the end of each work shift.

This intermittent closure is expected to last **approximately two weeks**. Please refer to the map below for details.

Map 1: 111 Street, north of 23 Avenue

Traffic impacts

- Temporary closure of a section of southbound traffic lanes on 111 Street between 23 Avenue and Century Park station
- Appropriate construction signage and delineation devices will be installed along the temporary detour.
- Speed limits in the work zone will be reduced to 40 km/hr in each direction.

Other impacts

- Pedestrian and cyclist routes will be maintained, and appropriate signage will be installed for the lane closures. Sidewalks and signalling will not be impacted.
