

## Crestwood Arena Playground

June 2026

Playgrounds are a crucial part of Edmonton's neighbourhoods. Playgrounds foster play and encourage social interaction, exploration and imagination for residents of all ages. The City of Edmonton is renewing the playground in Crestwood adjacent to the arena to ensure it remains a vibrant, multi-generational hub for everyone in the community.

### Project overview

As part of the renewal, the City will replace the existing play equipment. A rendering of the preferred equipment is available on the project web page [edmonton.ca/PlaygroundRenewal](http://edmonton.ca/PlaygroundRenewal). New landscaping will include sod, three new benches, three new bike racks, concrete pads and pathway and a waste receptacle.

### Construction impacts

Construction is anticipated to start in late June and be complete in the fall of 2026. No tree removals are planned as part of this project.

Residents in the neighbourhood may experience increased noise levels and traffic around the area. All construction will take place during the hours of 7 a.m. to 9 p.m. Monday to Saturday, according to the Community Standards Bylaw. Construction equipment and materials will be stored near the work area.
