Missing Sidewalks: 87 Avenue

The City of Edmonton will be constructing new curb ramps and a bus stop concrete pad at the 87 Avenue and 150 Street intersection this summer as part of the Missing Sidewalk Program. The program focuses on upgrading the ramp for safe pedestrian access

Construction is anticipated to start in late July and be completed by the end of August 2026. During construction, the eastbound curb lane will be closed to complete this work safely.

Please see the reverse side of this bulletin for the project area and design.
