

Skyrattler Playground Renewal

June 2026

Playgrounds are a crucial part of Edmonton's neighbourhoods. Playgrounds foster play and encourage social interaction, exploration and imagination for residents of all ages. The City of Edmonton is renewing the playground in Skyrattler to ensure it remains a vibrant, multi-generational hub for everyone in the community.

Project overview

As part of the renewal project, the City will replace the existing play equipment. ContractorsA rendering of the new playground equipment is available on the project web page, edmonton.ca/PlaygroundRenewal. Other renewal items will include new park furniture and a waste receptacle.

Construction impacts

Construction is anticipated to start in late June and be complete in the fall of 2026.

Residents in the neighbourhood may experience increased noise levels and construction vehicle and equipment traffic around the area. All construction will take place during the hours of 7 a.m. to 9 p.m. Monday to Saturday, according to the Community Standards Bylaw. Construction equipment and materials will be stored near the work area.
