

Weinlos Playground Renewal

June 2026

Playgrounds are a crucial part of Edmonton's neighbourhoods. Playgrounds foster play and encourage social interaction, exploration and imagination for residents of all ages. The City of Edmonton is renewing the playground in Weinlos Park to ensure it remains a vibrant, multi-generational hub for everyone in the community.

Project overview

A rendering of the new playground equipment is available at edmonton.ca/PlaygroundRenewal.

As part of this project, the City of Edmonton will:

- Remove existing playground equipment and sand
- Install new surfacing for better accessibility
- Add new drainage under the playground
- Replace existing furniture surrounding the playground with two new benches and a picnic table
- Build a new asphalt pathway to connect the playground to 48 Street NW

Construction impacts

Construction is anticipated to start the last week of June and be complete in the fall 2026. The construction area will be fenced, and the rest of Weinlos Park will remain open during construction. *(Please see the map on the other side of this bulletin.)*

Residents in the neighbourhood may experience increased noise levels and construction vehicle and equipment traffic around the area. All construction will take place during the hours of 7 a.m. to 9 p.m., Monday to Saturday, according to the Community Standards Bylaw. Construction equipment and materials will be stored near the work area.

PLEASE RESPECT ALL SIGNAGE AND OBEY STAFF DIRECTION IN THIS ACTIVE WORK ZONE.

If you have questions or concerns about this work, please contact the Project Manager at BuildingGreatNeighbourhoods@edmonton.ca.

THANK YOU
