Edmonton's New Southside Bike Routes

Over 4.4 km of protected bike lanes, shared roadways, and paths have been installed to support and inspire Edmontonians of all ages to try new ways to get around in their communities and in the city. These bike lanes can be found along 83 Avenue, 86 Street, and 76 Avenue (see map for details).

Helpful Tips for All Road Users:

**In Your Car**
- Watch for new signs.
- Don’t stop on the green paint.
- Shoulders check and look both ways.
- Wait for cyclists when turning across the bike lanes.
- Be Aware and Take Care.
  - Watch for new signs and signals at intersections.
  - Watch for new signs indicating how to safely navigate the bike routes.
  - Observe what others are doing.

**On Your Bike**
- Yield to pedestrians at crosswalks and at bus stops.
- Watch out for new signs indicating how to safely navigate the bike routes.
- Wait for cyclists when turning across the bike lanes.
- Be Aware and Take Care.
  - Watch for turning vehicles entering and exiting accessways.
  - Observe what others are doing.

**On Your Feet**
- Watch for turning vehicles entering and exiting accessways.
- Observe what others are doing.
