Emergency Medical Procedures
In the event of an emergency, staff may render first aid and/or contact emergency medical services.

Photography and Media Consent
On occasion, the City of Edmonton may invite a photographer or the media to visit a program. In this case, you may be asked to sign a consent form giving permission for the images to be used for news or promotional purposes.
WHAT IS THE LEISURE ACCESS PROGRAM?

The program allows eligible low-income Edmontonians to access participating City of Edmonton recreation facilities and attractions (swimming pools, fitness centres, Edmonton Valley Zoo etc.) through an annual pass or a subsidized monthly pass.

ANNUAL PROGRAM

The LAP Annual Program is valid for one year from issue date and provides free unlimited access to participating facilities and discounts on registered programs (daycamps, art classes, swimming lessons etc).

You may qualify for the LAP Annual Program if:

- You are currently on AISH
- You have a family income below the low income threshold
- You are a recently landed immigrant or refugee
- See our website for a full list of qualifying documents and exceptions to the program

MONTHLY PASS

The LAP Monthly Pass provides discounted opportunities to participating facilities, including drop-in and instructor-led programs. Individual passes are $20/month and family passes are $70/month.

You may qualify for the LAP Monthly Pass if:

- You have an income near the low income threshold

Note: If you have an income below Edmonton Transit Service’s (ETS’) Ride program’s low income threshold, you may also qualify for the Ride Transit pass. Ride Transit is ETS’ low income program that offers monthly passes to eligible Edmontonians for $35/month. You do not need to submit a separate application to apply for Ride Transit. Learn more at edmonton.ca/ridetransit. *For more information on ASL interpreters, or any other Hearing aids please click.

Fort Edmonton Park
7000–143 Street (corner of Whitemud Freeway and Fox Drive)
Edmonton, AB T6H 4P3
Phone: 311

Fort Edmonton Park has partial accessibility with ramps and washrooms available at many locations throughout the Park. However, due to the historic nature of the facility, there are a number of buildings that would be challenging for persons with limited mobility and impassable for wheelchairs.

The Park is situated on 158 acres and although period transportation is available only the stream train is equipped for wheelchairs, and the physical demands of walking the site are considerable.

Programs offered at the Park accommodate special needs wherever possible. Notification of any special needs requirements must be identified at the time of registration. Personal Care Attendants are admitted free of charge.

For more information, please visit FortEdmontonPark.ca or call 311.

John Walter Museum
9180 Walterdale Hill NW
Edmonton, AB
Contact: 311
Website: www.edmonton.ca/johnwalter

John Walter Museum displays the three original homes of John Walter, one of Edmonton’s early entrepreneurs. Here you will learn not only about John Walter, but also about the changing fortunes of Edmonton’s river valley communities.

John Walter Museum is partially accessible. Paved walkways and boardwalks connect the houses and the public parking lot. John Walter’s Third House, completed in 1901, is accessible by ramp. Accessible washrooms are found in the Visitor Orientation Building. The museum is open on select days, please check the website for details edmonton.ca/johnwalter. Programs accommodate special needs wherever possible.

Please note at time of booking if any accommodations may be required. Personal Care Attendants are welcome to attend free of charge.

An Accessible Nature Lodge for All Citizens and Especially for Families with Seniors and Persons with a Disability

Alberta Abilities Lodges Society, a registered charity, provides opportunities for all citizens, including seniors and persons with physical or cognitive challenges, to enjoy nature all through the year on our three quarter-sections (480 acres) of forests and fields called Coyote Lake Lodge. We believe outdoor experiences raises the quality of life, gives respite, and breaks isolation in these difficult times caused by Covid-19. Come and enjoy the peace and quiet of nature, walk trails, tend our gardens for food banks, or sit on a cabin deck with a coffee while watching birds and other wildlife. The cabins, fire pit, and BBQs are well spaced for social distancing.

Volunteers who are fully vaccinated maintain 30 beds within four accessible cabins and our accessible Coyote Lodge. Bring your food and bedding if possible but bedding can be provided.
**Location:** Coyote Lake Lodge is located 60 km directly west of Leduc at 50033 Range Road 43 (North).

**Cost:** Coyote Lake Lodge is owned by our society, operated by volunteers, and is family rather than government funded. Cabins are rented at about $100 per night (depending on recent renovations) and sleep four to six persons. Contact Eleanor for further details, a map, and reservations. Check out our website. Our society appreciates donations for continuing lodge maintenance and development.

AdaptAbilities creates possibilities through
• Essential Life Skills
• Expressive Arts
• Motor Development
• Recreational Activities
• Creating Friendships
• Involvement within the Community

Our Community Specialists are trained in a human rights approach to provide goal-directed respite programs where individuals learn and grow as members of their own community. AdaptAbilities strengthens individuals and families, building a vision of inclusion, one person at a time.

**Programming**

AdaptAbilities delivers in–person and online programming. In person programs give participants a chance to engage with others in their community while providing parents with an essential break from caregiving. Digital sessions cover a variety of topics and include fun and engaging activities for individuals to enjoy safely from their own home.

Visit www.adaptabilities.ca for current information.

Orange Hub Respite Centre: 10045 156 Street
Snoezelen Room and Sensory/Motor Development Room

A multi-sensory environment provides a feeling of both relaxation and stimulation, through the senses of touch, sight, hearing, and smell. Individuals are free to choose, control, and explore the stimuli within the space, engaging different areas of the brain, and tackling problems with behavior in overactive and distressed individuals.

The Sensory/Motor Development space offers a safe, structured environment for individuals to hone fine and gross motor skills through a variety of fun, engaging opportunities. Boasting a climbing wall, ball pit, and a variety of exciting swings, tunnels, and rockers, the space can support individuals with a range of disabilities and challenges.

Weekend Respite

Weekend respite provides children aged 3 – 12 and their families with the opportunity to receive high-quality care when parents need to run errands, take a break or go to an appointment.

Out-of-School Care/High School Transition

AdaptAbilities Out-of-School Care offers a number of structured activities in a safe and supportive environment. Each day, children and youth have the opportunity to do homework, play games and keep active. High School Transition supports adults who are continuing their high school education by offering a safe and welcoming “home away from home” after school. Individuals will begin to explore what it means to become an independent adult through experiential learning opportunities.

Social Nights

Each week we offer youth and young adults the chance to hang out and meet new friends. Individuals plan a variety of recreational activities and participants are guided in making appropriate and fun choices. We strive to improve decision making skills, independence and inclusion in the community.

In-Home Program

We introduce Community Specialists to individuals and families, and together they develop a personalized plan for success. Services offered include respite, establishing community connections, finding employment and personal care.
Community Connect
Once finished high school, Community Connect supports young adults 18+ to build confidence and autonomy by identifying personal strengths, interests and desires. Based on their chosen pathway, we will support individuals to volunteer, find employment, connect with community, build meaningful relationships, seek further education and live an active healthy lifestyle.

Hearts In Action Camps
Hearts In Action (HIA) Camps are unique day camps providing enjoyable, goal-directed activities during the summer, school holidays, exam breaks and professional development days. The small group settings foster the growth of the whole child/youth — socially, physically, mentally and emotionally. HIA offers additional support with daily routines where participants rotate through AdaptAbilities’ program components within their designated age group.

Inclusive Camp Opportunities
Are you looking for an inclusive camp for your child? AdaptAbilities believes all children should have a memorable experience in a camp where they feel they belong. Trained Community Specialists will support children to participate in a community camp of their choice. The focus is to develop friendships, explore interests and most importantly, have fun in an inclusive setting.

The Alberta Sport and Recreation Association for the Blind (ASRAB) supports Albertans who are blind or visually impaired to live physically active lives and participate in competitive and recreational sport programs. Our association was developed by a group of people who believed that blind and partially sighted individuals should have the same opportunities as their sighted peers to learn, participate and compete in sport and recreation. We do this by:

- Providing developmental and competitive sport programs
- Supporting and encouraging individuals with visual impairments to actively participate in a broad spectrum of sport and recreation opportunities
- Collaborating with others who share our vision
- Promoting the abilities of the blind and visually impaired

Goalball

Goalball is a fast-paced team sport developed in 1946 to help in the rehabilitation of blinded war veterans. The game was introduced to the world in 1976 at the Paralympics in Toronto and has been played at every Paralympics since. World Championships are held every four years; the first was in Austria in 1978. Goalball is now played competitively in 85 countries worldwide.

Goalball has three characteristics that distinguish it from all team ball games played by sighted people: (1) it is played with a ball that is audible, so that the player can hear it when it is in motion; (2) it is played on a court with tactile markings so the players can find their positions on the court by checking the markings with their feet or hands; and (3) all players wear blacked out goggles so they have equal vision: none.

ASRAB runs a regular recreational Goalball program in the Fall through Spring. It is open to any age and experience level, and is supported by a group of knowledgeable coaches and volunteers. Goalball demonstrations can be arranged for your school or community group, to learn and experience this unique sport. Contact us to make arrangements.

Young Adult Services Social Recreation and Wellness Programs offers wellness oriented, recovery focused programming for those 16 – 25 years of age who are living with a mental concern and/or addictions. The format of this program is an experiential learning approach to teach recreation and leisure skills and to develop enhanced social and personal development skills. Outcomes expected include: improved mental health; transferable skill development; reduced substance use; increased social, peer and sibling connection; increased community integration; and reduced stigmatization and isolation.

Young Adult Services strives to provide opportunities for individuals to make meaningful friendships, reduce social isolation and provide opportunities for individuals to establish healthy, active lifestyles using a resiliency orientated, strength based approach.

Eligibility: The eligibility criteria for Young Adult Services (YAS) group programming is young adults aged 16–25 years of age who are impacted by mental health concerns and/or addictions, emotional or behavioral issues, do not require one to one support to participate in programming, whose interpersonal style is suited to being in a group, and who would have the ability to safely navigate home if separated from the group in the community. Registered groups may have additional criteria for participation.

How to get connected: send an email at challengebychoice@ahs.ca to connect with one of the weekly zoom sessions offering an orientation to Young Adult Services Social Recreation & Wellness Programs & Services. Sessions are every Wednesday from 11:30 am to 12:00 pm and Fridays from 3:00 pm to 3:30 pm. This provides young adults with a chance to learn about the group opportunities, evaluate their current goals, and determine what programming might be the best fit for them.

Location: EMHC, 6th Floor – 9942 – 108 street
Program times: Every weekday afternoon
Catch the Wave Water Fitness® (CTWWF) provides Wellness Through Water® and now has expanded to land. CTWWF provides clients with a safe and unique fitness or rehabilitation experience situated in the water, on land or a combination of both.

Our overall goal is to create a specifically targeted aquatic or blended land and aquatic program for each client to increase or maintain muscle strength, endurance, flexibility, posture, balance, and cardiorespiratory fitness.

Through collaboration with the client and their support team, our client-centred sessions can be focused on fitness, function, or rehabilitation. Flexibility in programming can also accommodate respite options for care providers based on the client’s needs. All sessions are provided by a registered Occupational Therapist.

Catch the Water Water Fitness® Values:
• Dedication: Dedicated to the well being of each client.
• Collaboration: Collaborates with health industry leaders, physicians, and organizations to provide clients with relevant health and wellness information.
• Celebration: Celebrates the steps, however big or small that each individual makes towards their fitness or rehabilitation goals.

In Edmonton, approximately one in five individuals has a mental health concern. Recreation and leisure opportunities are important components of maintaining good mental and physical health. The Community Linking Committee was formed to address the need for the provision of high quality, low cost community leisure programs for individuals with mental health concerns in the Edmonton area.
Purpose
To provide leisure programs for adults with addictions or mental health concerns (e.g. schizophrenia, major mood disorders), who would benefit from supportive leisure environments.

Objectives
• To introduce a wide variety of low cost community based activities.
• To teach and develop leisure skills.
• To provide an opportunity for socialization.
• To provide low cost programs for those with limited incomes.
• To increase awareness of leisure opportunities in Edmonton.
• To increase community acceptance of persons with mental health concerns.

Please Note Programs run every day with the exception of the following:
• Statutory Holidays
• Two week break during the Christmas Holidays
• During extreme weather (colder than −25*, tornado warnings, etc). Please call program facilitator to confirm if the program is running that day if you are unsure.

Community Linking Programs
Date: Monday to Friday
Time: Various
Location: Various locations around Edmonton
Disability Group: Addictions and Mental Health
Cost: None

Community Linking programs provide a variety of social, recreation, and leisure programs for adults 18–65 years old who experience an addictions and/or mental health concern. Please see wellness network website for the most up to date program information. Please note programs are subject to change.

**Pen Paw Pal Program**
Write a letter to your favourite Caring Critter and they will write you back! Open to everyone of all ages and all around the world! Each letter sent by our critters will be personalized towards each individual and will allow for a special connection with an animal of their choice. This program promotes the development of social skills, encourages compassion, and provides the opportunity to hone reading and writing skills.

**Almost ready... Reading with the Ranch**
Come on a literary adventure with us as we read therapeutic stories to you and our critters! A new reading recording is posted each week, and each month the spotlight shines on a different Caring Critter! Each story will focus on a therapeutic theme that provides for teaching, processing, and healing experiences. Therapeutic story reading will allow participants to better their understanding, further their imagination, and enhance their comprehension skills.

**Coming soon... Adventures in Nature**
Transport your youth on an adventure at Dreamcatcher™ Ranch!
Each of our 10 Adventures are 20 – 30 minutes and come with their own topics to choose from! Plus, we'll send you instructions on a themed craft, a list of supplies you will need, and colouring activities of our critters! Learn all about the chickens, go on a scavenger hunt around the ranch, or take a trip with the goats! With so many topics to choose from, there's sure to be a fun and engaging virtual adventure in nature for everyone!

**Time on the Land**
Time on the Land allows families or individuals an opportunity to take part in a new adventure while getting out of the house or city! Visitors can check out our chicken coops, spend time visiting over the fence with rescued therapy farm animals, enjoy a picnic in the country, or walk-in nature through our beautifully treed and trailed 40-acre property. Launched in the Spring of 2020, our Time on the Land program supports individuals and families struggling to find safe, fun, and engaging activities. This program is offered for individuals and families to experience the great outdoors and interact with pleasant farm animals. The booking times are only available outside of Dreamcatcher™ client sessions and will involve the single households at a time.
Team Building
Let our dedicated and skilled team develop an interactive event that matches the theme, goals and budget of your vision and enhances the dynamics of your group. Our experiential learning alongside animals will give the results your company is looking for! Through interactive work with therapy animals, participants will discover, learn, grow, and find balance amongst themselves and as a team.

Rejuvenation Program
If you're a Front-Line Worker or First Responder looking for a safe, fun, and heart-warming way to interact with animals and explore the great outdoors, then look no further than Dreamcatcher™ Ranch! Our Rejuvenation Program began in the Spring of 2021 to give our Health Heroes a chance to decompress, destress, and rejuvenate with these FREE outdoor, and out of city, visits! This program provides unique and extensive farm animal interactions in a tranquil, beautiful place to give these workers a chance to find reprieve and joy.

Our Mission
Our Mission is simple to understand. We want all the individuals who access Rocky Mountain Adaptive to strive, persevere, and overcome any challenges that present themselves to achieve the fulfilment of our aims.

‘No Limits!' is more than just a phrase, it is a mentality. For our team, it motivates us to reduce barriers and provide successful sporting and recreation experiences. For our adaptive guests, “No Limits!” is a determination to overcome any obstacle, mental, physical, or other that may lay in the way of achieving their goals. RMA aims to cultivate this mentality and spread it to everyone that we encounter and those who access our services, as well as apply the same attitude to the growth and development of our organization.

Our Vision
A world where there are no limits to adaptive mountain sport and recreation.

Free2BMe – Physical Activity for Kids and Teens with Disabilities

Free2BMe Physical Activity for Kids and Teens with Disabilities is a dynamic, fully-equipped adapted physical activity program that provides physical activity and fitness opportunities for kids and teens with disabilities. Opportunities are provided for anyone aged 4 – 19 with physical, sensory or developmental impairment. Program aims include: empowering participants to be more physically active, experience success and enjoy more independence. Programs offered include a variety of group programs or one-on-one adapted fitness sessions focused on physical literacy.

Adapted Fitness Programs for Adults

The Adult Fitness & Recreation program provides a range of Adapted Physical Activity services including gym access, group fitness and one–on–one training for adults experiencing disability. Programs are led by Adapted Physical Activity consultants and instructors in a supportive, welcoming environment. Our programs are designed to increase independence, foster self-determination and promote inclusion for people experiencing disability through physical activity.

Functional Electrical Stimulation

Functional electrical stimulation (FES) is a technique by which electrical currents are applied to nerves supplying paralyzed or weakened muscle through electrodes placed on the surface of the skin. The current delivers the necessary stimulation to elicit a muscle contraction with the purpose of providing functionally useful movements. The Steadward Centre offers programs and training for the following FES modalities: cycling, arm cycling, and/or a recumbent elliptical. Participants have the option of pursuing FES at the Steadward Centre or at one of the community locations (Saville Community Sports Centre, Don Wheaton or Castledowns YMCA). Interested participants require a doctor’s note and an assessment to determine eligibility.
Athlete Development for Disability Sport

Athlete Development for Parasport focuses on engaging individuals experiencing disability who currently participate in sport to increase their current fitness levels from grassroots sport through to high performance sport. Program aims include: increased physical fitness through individualized Strength & Conditioning programs and development of competitive sport skills (swimming and athletics). Programs offered include: Para-Swimming Development, Para-Athletics, Athlete in Training, High Performance Para-Development and Team Training.

Learn to Ride
Learn to Ride is a specialized cycling course for children with special needs aged 8 and older. The goal is to help them ride a 2 wheeled bicycle without training/balance wheels. The Edmonton program runs on a referral basis only. Please contact your physio or occupational therapist to discuss if your child is eligible for our program. Registration opens January 2, 2022.

Dates: 7 week course in May and June
Time: 6:00 – 7:00 pm and 7:00 – 8:00 pm
Location: Goldbar Park
Cost: $125 – $100 deposit and $25 administrative fee, the deposit is refundable if equipment is returned in excellent condition
Disability Group: Children who have the physical ability to ride a 2 wheeled bicycle, but need specialized training

Borrow a Bike
The Borrow a Bike Program provides each child with an adaptive bike to take home for the summer. Registration opens January 9, 2019 and a referral from a medical professional is required. The bikes are matched to each child by volunteers and are fit to each individual child in the spring. The families take the bikes home for the summer in March or April and return the bikes in September.

Dates: Registration opens January 2, 2022
Location: 11415 168 Street
Cost: $300, but up to $275 can be refunded through helping out with the program, and subsidies and tax receipts may be available
